STRIKING DRIVERS REJECT AGREEMENT

Refuse to Accede to Settlement Arranged by Gaynor and Companies.

MOST UNRULY DAY OF STRIKE

Mass Meeting Followed Stormy Time on the Streets—Mayor's Congratulations Too Early. No End in Sight.

New York, Nov. 10.—The drivers and helpers strike against the five trans-continental express companies was settled today in the office of Mayor Gaynor in the belief and to the satisfaction of the Mayor, the representatives of the strikers and the executive officers of the companies, but the agreement, although drafted and signed by both parties, was rejected tonight at a union meeting.

The day was stormy in the streets and lowering tonight in council. The men gathered in mass meeting to consider the agreement recommended to them for ratification, although the mayor, when he left his office had issued a statement congratulating Henry R. Towne, president of the Merchants' Association of New York, who had attended the afternoon conference, for his share in "settling the strike" it was seen that the strike was not settled at all. On the contrary, one after another of the speakers arose in opposition to the agreement

Two hundred chauffeurs who struck in sympathy with the express men and went back to work a week ago, when their demands were granted, were not directed to strike again because the company would not permit them to wear the union button. It was ordered that all garages still hostile to the union be picketed tomorrow. The tone of the meeting was distinctly belligerent and just before an executive session was declared, one of the leaders gave private assurances that in no circumstances would the men accept the settlement reached before or one like it.

Those who signed for the men this afternoon, he said, did so as representatives of employes and not as representatives of the union. That would not suffice.

Union men, he believed, would insist on full recognition of the union, as they had all along demanded.

Signed Up Agreement.

The most unruly day of the drivers and helpers strike against the five trans-continental express companies ended with what seemed a trustworthy promise of peace. A committee representing the employes—not the union which has organized and conducted the strike—and the executive officers of the five companies met in Mayor Gaynor's office late this afternoon and signed an agreement for presentation at a mass meeting tonight for ratification. With the agreement accepted by the men the strike will end tomorrow.

The agreement in the form of a letter to Henry R. Towne, president of the Merchants' Association, of New Cork, follows:

"We are willing to take back our employes who are on strike, whether or not they have joined a union, reserving the right, however, to decline to take back any of them whether they be members of a union or not, who may have committed or incited acts of violence and hostility against us.

"Those of our companies whose employes have raised a question concerning their hours of employment or rate of wages will agree, after the men resume work, at once to take up these questions with the employes, or with committees of them, for the purpose of reaching a settlement which shall be just and satisfactory to both parties with the understanding that the former hours and rates of wages shall continue in effect until December 1 next and only on that date any changes mutually agreed upon shall then become effective.

(Signed).

"Adams Express Company, W. M. Barrett, President.

"American Express Company, H. S. Julier, Vice President.

"National Express Company, I. N. Smith, General Manager.

"United States Express Company, Frank H. Platt, Director.

"Wells-Fargo & Co., E. A. Stedman, Vice President."

To this offer the representatives of the strikers assented as follows:

"The undersigned, a committee representing the employes of the express companies which join in the annexed letter to Mr. Towne, hereby receive the terms of the said letter in settlement of the strike and advise the said employes to resume work thereon at once and end the strike. We proposed these same terms through the Mayor last Friday at his request, and adhere to them now at his request.

(Signed)

"Daniel P. O'Connor, of Adams Express Company; Thomas W. Tallon, of American Express Company; E. J. Mara, of National Express Company; James G. Ackerman, of United States Express Company; James W. Donnel-

Good Majority in Sixth Congressional District Surpasses Expectations of Most Enthusiastic Friends.

Official returns from the seven counties composing the Sixth Congressional District of North Carolina, received by telegraph and otherwise at the office of The Morning Star yesterday and last night, give Congressman H. L. Godwin a majority of 6,530 over his Republican opponent, Iredell Meares, Esq., of this city, in the elections held Tuesday of this week surpassing the expectations of Mr. Godwin's most enthusiastic supporters.

Although an off-year election, Mr. Godwin swept the district by an even larger majority than two years ago when his majority over Col. A. H. Slocomb, of Cumberland, was only 6,157. Previous estimates of the majority of Mr. Godwin were considerably increased upon the official canvass of the vote in Brunswick county, where the Harnett man received 431 majority, leading all tickets there, State, district and county. The total vote in Brunswick could not be ascertained, but the majority was as stated. Robeson also did exceedingly well for Mr. Godwin, rolling up a majority of over two thousand.

A tabulation of the vote as received up to a late hour last night is as follows:

	Godwin	Meares	Maj
Brunswick	.....	.....	431
Bladen	... ...	1,022	479	543
Columbus	... ...	1,845	743	1,102
Robeson	... ...	2,643	628	2,015
Harnet	... ...	1,491	928	563
Cumberland	.. ..	1,764	811	953
N. Hanover	.....	1,089	166	923
		9,854	3,755	6,530

Last year Col. Slocomb, Rep., carried Brunswick by a majority of 166 out of a total of 1,426 votes cast. This year Mr. Godwin reverses the majority by nearly 600 increase. The total vote last year, including Brunswick, which is not included in the table above, was Godwin 12,542, Slocomb 6,385. Save New Hanover, the returns received last night are as follows:

Lumberton, N. C., Nov. 10.—The official count of the election as shown by the canvassing board today is, Republican 630; Godwin for Congress 2,643, Meares 628; Democratic majority for county officers 2,000.

Harnett's Vote.

Dunn, N. C., Nov. 10.—Harnett county State ticket: Wood, Democratic 1,435; Wood, Republican, 932; Congressional: Godwin, Democrat, 1,491, Meares, Republican 928. County, Taylor, Democrat, Clerk, 1,401, Allen, Republican, clerk, 933; Legislature: Ross, Democrat, 1,450, Spencer, Republican, 948; Senate: Baggett, Democrat, 1,443, Byrd, Republican, 933; Barber, Democrat, 1,457; Matthews, Republican, 932. The other ticket ran along with these.

Columbus Increases Majority.

Whiteville, N. C., Nov. 10.—The vote of Columbus county in the election was officially canvassed today and shows Democratic gains throughout the county. The vote was as follows: For Congress, Godwin 1,845; Meares 743. State ticket, about the same. Sheriff, A. S. Richardson, 1,810, Seth L. Smith, 776. Representative, Shipman 1,854, Hufham 734, J. H. Williamson, Rep., 23. Clerk, Stanley 1,883, T. L. Stanley, Rep., 720. Treasurer, Gore, 1,887, S. C. Soles, 745.

1000 in Cumberland.

Fayetteville, N. C., Nov. 10.—According to returns given out by the canvassing board the vote of Cumberland county is as follows: State Democratic, 1,779, Republican 834. Congressional, Godwin 1,764, Meares, 811. The average majority of the Democratic ticket is 964, the highest majority being 1,056, the lowest 833. N. A. Sinclair, Democratic candidate for solicitor and incumbent, had no opposition. Fulton R. Hall, for Register of Deeds, and David Gaster, for Treasurer, led the ticket with a vote of 1,870 and 1,845, respectively.

Only Partially Republican.

Southport, N. C., Nov. 10.—The official returns from the ten precincts in Brunswick show that with the exception of Newton, Clerk of the Court, and Richard Dosher, County Commissioner, the full Republican ticket is elected. Bellamy carried the county by 96 majority for State Senate. Taylor for the house, was elected by 100 majority.

Sheriff Knox's majority was 135; Brooks for Treasurer, 216, and Jenrette, for Register of Deeds, 222. Harrelson and Long, Republicans, and Dozier, Democrat, were elected county commissioners. The Congressional vote was tabulated. Godwin's majority is 431.

Vote in Bladen.

Elizabethtown, N. C., Nov. 10.—With the returns all in from the 15 townships in Bladen, we have a Democratic gain of 250 votes over last election, after the quietest election ever held in this county. Every township gave a Democratic majority except one, Bethel, which only went Republican by from 5 to 10. Mr. Godwin got a majority of 543 over Mr. Meares. Out of a total vote of 1,500 cast in the county, our popular young Sheriff, J. M. Clark, led the ticket with 752 majority. Other county candidates ranging from 578 upwards. The full Democratic county ticket is elected as follows: House of Representatives, E. H. Anders; Clerk of Court, W. J. Davis; Sheriff, J. M. Clark; Register of Deeds, R. J. Hester; Treasurer, A. McA. Council; County Commissioners, B. J. Sanderlin, H. C. Bridgers and A. L. Tatom; Coroner, G. W. Hall; Surveyor, J. D. Ferguson.

The weather was ideal and there was no trouble reported from any of the townships.

MEETS HIS DEATH DURING PRACTICE

Mechanician Killed on Savannah Grand Prize Race Course Yesterday.

SPEEDING CAR STRUCK FENCE

W. H. Sharp, Driver and Owner Seriously Injured—Racers Ready for Start Today—Those to Contest in Events.

Savannah, Ga., Nov. 10.—Speed mania collected its first toll of life on the grand prize automobile course today, Albert Fuchs, a young mechanician, met instant death and W. H. Sharp, driver and owner of the car bearing his name, was seriously injured when the powerful machine swerved from the road and crashed into a barbed wire fence.

Sharp had his car on the course for practice. He had made several laps at high speed when the accident occurred. All seemed to be well with the car and the cause of its disaster is a mystery. Only Sharp, it is thought, may be able to talk. One theory is that Sharp took a curve on the back stretch in Ferguson avenue at too high speed, thus losing control. Another is that a tire blew out, causing the driver to lose control. The latter theory is supported by the fact that the left front tire was stripped.

For fifty feet along the side of the road the car plowed its way, then leaping a ditch and striking a small tree. Seemingly, the tree though bent to earth and swept its entire length by the onrushing machine, impeded its course but little. A few yards further the car struck a thick post of the fence extending along the road. On it sped, knocking down post after post and tangling posts and wires in its mechanism and about its wheels. It was this tangle that finally brought the car to a stop, first throwing it into the air, for a somersault, driver and mechanician falling as it was thrown.

Fuchs struck upon his head upon a log. Sharp fell clear, but apparently sustained injury to his abdomen striking against the steering wheel. When a flagman on the course and two convicts who were working on the road ran to the scene, they found Fuchs dead and Sharp helples. Efforts were made to flag other racing cars as they sped by in practice, but without result until word was telephoned to the grand stand, several miles away.

Then two of the racers stopped on reaching the scene and brought the body of Fuchs and the injured Sharp to the grand stand.

Fuchs, aged 24, lived at Trenton, N. J. Men at the Sharp training camp say he had a premonition that the course held danger for him today. He sought to be relieved from duty, but no substitute was at hand.

Sharp is well known as a manufacturer and driver. His factory is at East St Roudsburg, Pa. His accident eliminates him and his car from the grand prize race, in which he had drawn first place for the start.

The meet will open tomorrow at 10 o'clock with seven entrants in the Savannah challenge cup race.

The competitors will start at 30 intervals, to be followed an hour later by the eight starters in the Tiedman trophy race. It is estimated the race will be finished by 3 o'clock.

Entrants for the light car race, 276.8 miles are:

Car.	Driver.
Falcar	Hughes.
Marmon	Heineman.
Mercer	Roebling.
Pullman	Gillard.
Falcar	Gelnaw.
Marmon	Dawson.
Falcar	Pierce.

Light car entrants for the 193.8 race for Tiedman trophy are:

Car.	Driver.
E. M. F.	Cohen.
Maxwell	Wright.
Cole	Knight.
Lancia	Knipper.
E. M. F.	Witt.
Maxwell	Doerley.
Cole	Endicott.
Maxwell	Costello.

STUDY INFANT MORTALITY.

Meeting in Progress in Baltimore.—Retiring Members Re-elected.

Baltimore, Nov. 10.—The second session of the first annual meeting of the American Association for the Study and Prevention of Infant Mortality, was held today and tonight. In the afternoon directors were chosen for the ensuing year. Eight of the retiring members were re-elected and to these were addd Miss Jan Addams, of Chicago, and Mrs. Elise Graupner, of San Francisco. Reports were read from 32 affiliated organizations in various parts of the country. The subject of the day's discussion was "Philanthropic Prevention of Infant Mortality."

AVIATORS THRILL BALTIMORE CROWD

Prominent Government Officials Witness Events and Take Trips Aloft.

BOMB THROWING IS EXCITING

Eventful Day on the Field With Largest Audience of Meet—Hitchcock Flies With Hoxsey—Rain Interferred.

Baltimore, Nov. 10.—Sunbeams shot with raindrops harowed the aviation enthusiasts, who ventured out today to the field where the aviation meet is being held. The audience was the largest of the meet thus far, the day was one of good flying conditions, the sky, while overcast with clouds of varying shades of gray offering an exceptionally good background for the beautiful pictures made by the flitting aeroplanes, the programme was one of great attractions, and the audience included some distinguished visitors.

Today's flights differed in many respects from anything seen here hitherto. There were bomb throwing and target shooting from fleeting airships; there were aerial gymnastics, that thrilled and there were trips aloft made by prominent government officials. Postmaster General Frank Hitchcock, after a flight with Count Jacques de Lesseps, was so pleased that he asked Archibald Hoxsey for a higher flight in the Wright bi-plane. But Hoxsey had found the upper air too gusty to make passenger carrying altogether safe and he asked the Postmaster General to wait until tomorrow. Mr. Hitchcock expressed himself as delighted with his experience in the air. After he had been brought safely to earth, James Allen, chief of the signal corps of the United States, entered Count de Lesseps 100-horsepower Bleriot and was given the new experience of flight. In the party from Washington, with him and the Postmaster General, were Secretary of War, Jacob M. Dickinson, General William Witherspoon, president of the War college of the army, Count Zeppelin, minister of the Netherlands, Thomas Nelson Page, and several others together with a number of ladies.

The first flyers to take wing were James Radley, at a bit after 2 o'clock, he being followed aloft almost immediately by Hubert Latham in his Antoinette. Both descended after brief flights. A little later Count de Lesseps in his 110-horsepower Bleriot, took aloft for rifle practice Captain John P. Douw, of the State ordnance corps. After a trip around the course to give the marksmen his bearings, Capt. Douw fired twice at a "C" target, U. S. A. small arms practice, but the best of the shots missed the mark by four feet. Latham then tried with a revolver. Covering the target in the circumference of a circle of small diameter, from his Antoinette, he twice fired two shots from a revolver. Of these, four shots, two were hits, one scoring two and the other three points. Count de Lesseps then took up as a passenger Lieutenant Dupuy, of the signal corps of the State of New York.

Just before 3 o'clock J. Armstrong Drexel began a try for altitude, the wind at the time blowing at the rate of nine miles an hour. In about ten minutes, he had floated out of sight in the direction of the city. He returned after a trip of about a quarter of an hour, reporting the wind aloft too fluky for high flights. His barograph recorded 820 feet only, though the manner of his flight gave the impression of much greater altitude to

AWAITING MEXICO TO EXPLAIN RIOTS

Rigid Orders From Government Stops Anti-American Demonstration.

AMBASSADOR WHITE INFORMED

Resulted From Lynching of Mexican in Texas He Stated in Cablegram—Secretary Knox Issues Statement.

Mexico City, Nov. 10.—Repressive measures adopted by the Mexican authorities prevented today a repetition of yesterday's scenes in this capital and resulted in a day of comparative tranquility. An attempt by the demonstrators to gather late this afternoon in the neighborhood of the new National theatre was discouraged by the mounted police, who kept the crowds moving.

The foreign office has advised Ambassador Wilson that there will be no repetition of the rioting. Strict orders have been given the police, Minister Creel said to prevent by vigorous measures, if necessary, gatherings of any description in the streets.

Visits were exchanged between Minister Creel and the American ambassador during the day and a verbal reply was given by the former to Mr. Wilson's urgent message of yesterday concerning the insult to the United States flag and to American citizens. What the nature of the reply was, Mr. Wilson declined to say, but intimated that the same, when put into writing and formally transmitted would show a proper attitude on the part of the Mexican government.

Assurances were also given that several newspapers, whose utterances have incited the demonstrations which developed into riots will be suppressed.

Ambassador Wilson was warmly congratulated by business men and others of the American colony personally and by letter today for the aggressive stand he has taken in the crisis.

Boys March Through Streets.

Guadalajara, Mexico, Nov. 10.—For three hours tonight a mob of several hundred men and boys of the lower classes incited by the inflammatory speeches of students of some of the State schools, paraded the streets of this city imitating rioters in the national capital yesterday in a manifestation against Americans.

At State Department.

Washington, Nov. 10.—Official dispatches giving details of the anti-American demonstration in Mexico City yesterday reached the State Department today from United States Ambassador Wilson and Arnold Franklin, the American consul general.

Mr. Wilson confirmed the press reports that he had protested to the Mexican Department of Foreign Relations against the insults offered Americans and that the riot grew out of the lynching of a Mexican, Antonio Rodriguez, at Rock Springs, Texas, on November 3rd. Mr. Franklin's dispatch said that the riotous students who paraded the streets, cried "Death to Americans," and threatened the consulate general. He also told how these students had pulled an American flag from a business house and had trampled it under foot.

The department is awaiting further advices from Ambassador Wilson before taking action in the matter.

Secretary Knox, while deploring the situation, believes it is not representative af the real attitude of the two peoples. In a formal statement tonight he says:

"The manifestations of resentment towards Americans reported from Mexico is the cause of deep regret to this government and equally so, I am sure, to the American people. At no time have the governments and people of the two countries sustained towards each other closer and more cordial relations, predicted upon common purposes and sympathies than now.

"It is most unfortunate that the brutal crime in our country of which a Mexican was the victim, should be made the excuse for a demonstration of hostility towards Americans in Mexico. It is a satisfaction that such demonstrations find little sympathy in the body of Mexican people and none in the Mexican government.

"I am sure the Mexican government will be swift to put down all hostile demonstrations against Americans in Mexico and to punish those engaged in them, as this government will be prompt to press for the punishment of persons guilty of crimes against citizens of Mexico residing in this country."

At a later hour tonight it was announced at the Mexican embassy that no word of the troubles in the Mexican capital had been received from that government.

Lynchburg, Va., Nov. 10.—At Lexington today Harry Stillington, a negro youth, was convicted of the murder of Miss Fannie Brown in Rockbridge county, October 22nd. The negro confessed the crime. He will be electrocuted.

WIFE OF RICH PACKER IN JAIL

Offered Detective Nurse $1,000 to Put Arsenic in His Medicine—Mrs. Schenck Refused Bail—Critical Condition.

Wheeling, W. Va., Nov. 10.—Further sensational developments appeared today in the case of Mrs. Laura Farnsworth Schenck, who is locked up charged with attempting to poison her husband, a millionaire pork packer, when, according to the prosecution, a detective disguised as a nurse, charged that Mrs. Schenck offered $1,000 to put arsenic in her husband's medicine. The offer is alleged to have been made to the detective nurse at the North Wheeling Hospital, where Mr. Schenck is in a critical condition.

The date of Mrs. Schenck's arraignment has not been fixed and in the meantime she is in the county jail with bail refused.

Mr. Schenck was not told of his wife's arrest until today for fear that the news would be a severe shock to him in his enfeebled condition. He received the news calmly, however, his only remark being: "She's just where she ought to be."

Dr. F. L. Hupp, who had mineral waters analyzed by Eastern chemists, retains possession of the analysis which he says showed heavy trace of arsenic. These are to be turned over to the prosecuting attorney upon demand. The news today was the first intimation of any alleged attempt on his life that Mr. Schenck had ever had.

AFFAIRS AT RALEIGH.

Small Damages Against Seaboard.—Legislation for Educational Purposes.

(Special Star Telegram.)

Raleigh, N. C., Nov. 10.—A Wake Superior Court jury today returned a verdict for $500 damages against the Seaboard Air Line in favor of C. W. Reed, of Elizabeth City, who sued for $25,000 damages for false arrest, in that he was arrested at the Johnson street station here by Watchman Craton, charged with attempting to steal a ride on a train and was held in jail all night only to be released next morning by a magistrate. The trial required two days.

Today and tonight there have been conferring in this city a joint legislative committee from the North Carolina Association of County Superintendents of Public Schools, the Association of City School Superintendents and the North Carolina Teachers' Association and State Superintendents of Public Instruction J. Y. Joyner with a view of determining upon just what public education legislation shall be asked for at the hands of the approaching General Assembly. While no official statement is yet available it is understood that the concensus of opinion is that no very material changes are wanted in the present school laws which are just about getting into good working order.

A special committee headed by the State Superintendent is to prepare bills for the Legislature that will embody the final views of the committee as to what "pruning" there may be needed for the present school laws and for supplimental legislation which will include the fullest possible financial aid and encouragement in consolidation and local taxation, along with special provision for making at least a substantial start in the direction of agricultural schools for the rural districts. Participating in the conference here were County Superintendents W. H. Ragsdale, Pitt county; R. A. Centall, Haywood; P. S. Fleming, Alamance; S. M. Brinson, Craven; City Superintendents C. B. Coon, Wilson; W. D. Carmichael, Durham; President Foust of the Greensboro State Normal; Prof. ... C. Brooks, Trinity College; President Geo. W. Lay, of St. Mary's School; Prof. M. C. S. Noble, University of North Carolina and A. C. Reynolds, Buncombe.

CANAL PROPERTIES SOLD.

Located in Virginia and North Carolina—Brought $300,000.

Norfolk, Va., Nov. 10.—The properties of the Albemarle and Chesapeake Canal Company in Virginia and North Carolina, consisting of a 10 1-3 mile canal and several thousand acres of land were sold under foreclosure at Portsmouth, Va., today to a committee representing first mortgage bondholders for $300,000. This is a link in the proposed governmental intra-coastal waterway between Boston and Beaufort, N. C., and has already been recommended for such use by army engineers.

The sale was to satisfy a $500,000 thirty year bond issue given in 1879 to the Union Trust Company, of New York, trustee. A second mortgage of $230,000 was held by the Central Trust Company, of New York. The only bid today was by the first mortgage bondholding committee, composed of James M. Edwards, Robert L. Harrison, and Henry T. Cutter, of New York. The property will be offered to the government for $500,000.

Christiansburg, Va., Nov. 10.—The six prisoners who escaped from the Montgomery county jail Tuesday have been captured, and five of them were taken to the penitentiary at Richmond last night. The telephone operator at Riuld, five miles from here, looked out of a window and saw the men passing. He telephoned to some neighbors who picked up guns and captured the fugitives.

ACUTE SITUATION NOW IN ENGLAND

Efforts to Settle Controversy Between Houses of Parliament a Failure.

CONCERNS THE VETO POWER

Leaders of Two Great Parties Unable to Settle Dispute—Premier Asquith Made Announcement—Will Resume Fight.

London, Nov. 10.—The conference which was organized shortly after the death of King Edward in an endeavor to secure a settlement of the acute controversy over the question of the vote power of the House of Lords with reference to measures passed by the House of Commons—a controversy aggravated by the refusal of the upper House to pass the budget—has dissolved without reaching an agreement.

Announcement of the failure of the leaders of the two great political parties to find a solution for the dispute, which has kept British politics in a turmoil for more than a year, was made by Premier Asquith tonight after a meeting of the cabinet which followed the earlier gathering of the conference. The official statement does not disclose the cause of the disagreement. It simply says:

"The conference which has been sitting to consider a constitutional question has come to an end without arriving at an agreement."

The statement adds that the members of the conference had decided not to disclose the course of the negotiations or the causes which led to its termination. It is understood, however, that the rock on which the conference split was the question of the composition of the joint committee of both Houses, that should adjust the differences arising in the future. The liberals insisted that the proposition of peers on this committee should be such that the will of the House of Commons would have a fair chance of prevailing. The conservative members of the conference could not agree to the government proposals and their alternative proved unacceptable to the liberals.

The political situation now reverts to the position it was in before the truce. The conference secured a respite in the controversy over the most acute issue of the day during the period of National mourning which gives hope that some means will be found to avoid political complications until after the coronation.

How this is to be accomplished remains a matter of conjecture and politicans are preparing to resume the fight.

DEMOCRATS IN NEW YORK.

Whole State Ticket Elected—Late Returns Coming In.

New York, Nov. 11.—Practically complete returns from interior counties of the State, confirm previous indications that all of the Democratic candidates on the State ticket were elected. These in addition to the candidates for governor and lieutenant governor are:

Secretary of State—Edward Lazansky.

State Comptroller—William Sohmer.

State Treasurer—John F. Kennedy.

Attorney General—Thomas Carmody.

State Engineer and Surveyor—John A. Bensel.

Associate Judges of the Court of Appeals—Frederick Collin and Irving G. Vann.

The returns on these State officers are not yet complete for six counties, but estimates based on 2,700 election districts outside of New York City and complete returns of New York give the results above stated. The smallest indicated plurality is that of Lazansky for Secretary of State, who has 8,866 over Koenig, Republican, and the highest that of Kenney for State Treasurer, who has 26,332 over Fennell, Republican.

Late returns indicate that Conway, Democrat, for lieutenant governor, has a plurality of 30,000 over Schoeneck, Republican.

CAINS IN NASH.

Democratic Vote Increased by 549.—Salary Basis for Officers.

(Special Star Telegram.)

Nashville, N. C., Nov. 10.—Congressman Pou's omcial majority in Nash is 1,057. Cornwell defeats May, Legislature, by 1,074, and despite the hard fight made on the county commissioners, the lowest man on the Democratic side is 920 ahead of the highest man on the Republican ticket. Clark's majority over Hicks for Chief Justice, is 1,287. The proposition to place officers on salary is carried by a vote of 1,575 to 153. The Democratic gain over two years ago is 549.

Delagua, Colo., Nov. 10.—With one more body recovered this afternoon the death toll of the Delagua mine explosion reached 65. The company canvass shows 12 men still uncounted for.

PLANS FOR SEWERAGE SYSTEM.

Considered by Water and Sewerage Commission Last Night.

Consideration of several plans for a new and modern sewerage system as prepared by Mr. C. B. L. Anderson, of the engineering firm of Hazlehurst & Anderson, occupied the time of the Water and Sewerage Commission in postponed regular monthly session at the City Hall last night. The meeting was presided over by Chairman C. W. Worth and in attendance were Messrs. M. W. Jacobi and W. E. Perdew, members of the commission; Mr. R. C. Cantwell, the superintendent, and Engineer Anderson, the latter explaining in detail his several plans for a new system. Members of the commission seemed to be very much encouraged from the figures given by Mr. Anderson and they now think that they will be able to install a more complete and up-to-date system with the money in hand and in prospect than they thought some weeks ago. The commission has only $140,000 with which to install the sewerage system and ways and means for obtaining the remainder necessary will have to be devised. Just how much the system will cost cannot even be estimated until the plans have been adopted by the commission and approved by the State Board of Health. At 10:15 o'clock the commission adjourned to meet again Monday night, when they will give further consideration to the plans, and it is their purpose to meet continuously until one of the several plans has been adopted.

REUNION OF 1898 W. L. I.

Twelfth Annual Dinner and Meeting of Company as Then Constituted.

The twelfth annual reunion of the Wilmington Light Infantry, exactly as it was constituted and did such signal service in this city during the racial troubles here in 1898, was held last evening in the Masonic Temple and was thoroughly enjoyed by all in attendance. Among the invited guests were Lieut. Paul Cantwell, of the W. L. I., active; and Mr. W. B. McKoy, of the Reserve Corps. The latter gave some very interesting reminiscences during the evening of the "dark days of ninety-eight." One of the most appreciated visitors was Lieut. Guy A. Cardwell, of Montgomery, Ala., who came all the way from his home for the express purpose of attending the gathering and made one of the best talks of the evening.

Col. T. C. James presided as toastmaster and among the speakers were Col. Walker Taylor, past commander; Col. C. H. White, captain of the rapid fire gun squad; Commissiary J. D. Nutt, Sergeant Thos. H. Wright, Messrs. Chas. E. Taylor, E. M. Beery and others.

The old officers of the organization were unanimously re-elected as follows: Past Commander, Col. Walker Taylor; Commander, Col. T. C. James;; Vice Commander, Col. J. VanB. Metts; Chaplain, Bishop Robert Strange; Commissary, J. D. Nutt; Captain Rapid Fire Gun Squad, Col. C. H. White.

"THE PASSION PLAY."

Subject of Interesting Lecture by Rev. Thos. A. Smoot.

Fully 400 people assembled at Grace Methodist Church last night to hear Rev. Thos. A. Smoot, pastor of the church, lecture on "The Passion Play," the presentation of which he witnessed while on his European trip last Summer. The lecture room in which the lecture was given and the rooms adjoining were crowded with an appreciative audience. The lecture was presented in a most interesting and attractive manner. He talked for about an hour and was listened to with intense interest. The lecture was given under the auspices of the Epworth League of Grace Church. Mr. H. G. Bowden presided and after prayer by Rev. J. S. Crowley, pastor of Immanuel Presbyterian Church, the speaker of the evening was presented.

FUNERAL OF MISS BALLINGER.

Services Held From the Late Residence Yesterday Afternoon.

The funeral of Miss Mary Ballinger, whose sad death occurred Wednesday evening, was held from the late residence, No. 111 Chesnut street, at 3:30 o'clock yesterday afternoon, conducted by Rev. J. A. Smith. Many friends and relatives were in attendance and there were many beautiful floral designs. Following the service at the residence the body was tenderly borne to Bellevue cemetery, where the interment took place. The pallbearers were: Messrs. D. H. Penton, W. C. Peterson, Geo. E. Leftwich and J. B. Avent.

LANGFORD WON OVER CLARK.

Pitiable Plight for His Opponent—Lasted Only Two Rounds.

Joplin, Mo., Nov. 10.—Sam Langford won over Jeff Clark, of Joplin, in the second round of what was to have been a ten-round bout here tonight. The fight was stopped when Clark was all but out.

Before he would fight Langford insisted that the ring be reduced to 16 feet square.

From the tap of the gong, Langford rushed Clark, showering short jabs to the body. The force of his onslaught rendered Clark powerless and he was knocked to the floor, for the count of eight three times in the first round.

He came back gamely, but after two minutes of the second round in which he had gone down twice, the referee stopped the fight, giving Langford the decision.

MOVE TO OUST POWERS.

To Ask Congress to Deny Him His Seat as Kentucky Representative.

Louisville, Ky., Nov. 10.—Reports which were freely circulated today and which were neither affirmed nor denied by Democratic leaders are to the effect that there is a movement under way to have the nine Democratic congressmen of the Kentucky delegation make a concerted effort to have Caleb Powers ousted from his seat as representative of the eleventh Kentucky district. Congress, it is reported, will be asked to deny Powers his seat on the ground that he has thrice been convicted of felony and has not been acquitted by a jury. Governor Willson's pardon, it is contended, does not have the same effect as an acquittal on the charge of complicity in the Goebel assassination.

J. E. B. STUART LOSES OUT.

Fred Read Appointed Collector of Customs at Newport News, Va.

Washington, Nov. 10.—Announcement today of the appointment of Fred Read, as collector of customs at Newport News, Va., marked the end of a fight that began early last Winter and forced the retirement from the office which he had held for four years of J. E. B. Stuart, son of the famous Confederate cavalry leader.

Mr. Read was formerly postmaster at Newport News and has been a Republican party leader there for many years. He had the support of Postmaster General Hitchcock. The Republican organization in Virginia opposed him because it previously had endorsed him for the office held by John B. Locke, referee in bankruptcy for the Eastern District of Virginia and candidate on the Republican ticket for Secretary of State in the last gubernatorial campaign.

President Roosevelt appointed Mr. Stuart to office as a compliment to the South, it is said. Early during his term Mr. Stuart became involved in a civil service investigation because he deposed two white deputies and put in their places negroes, who happened to be party leaders. The inquiry was dropped after he had restored the white men to their places and Mr. Stuart continued to administer the office without further trouble. In fact, he did it so satisfactorily that he was recommended for reappointment by the Treasury Department, with which branch of the government he dealt directly.

President Taft took up the matter last week and decided to appoint Mr. Read, but announcement of the appointment was deferred until today, when it was given out at the Treasury Department. There were several other candidates at various times, but the three mentioned were those considered, it is said, just before the appointment was made.

Washington, Nov. 10.—H. Claiborne Willson was today appointed collector of customs at Petersburg, Va., to succeed William Mahone.

JUDGE PARKER DECLINES.

Would Not Accept Senatorship—A Successor to Depew.

New York, Nov. 10.—Judge Alton B. Parker authorized the following statement tonight:

"I am not appreciative of the fact that many good people favor my selection as a candidate for the United States Senate to succeed Senator Depew. I am indeed, most gratified to them for thus suggesting a most attractive opportunity for useful public service, but my obligations are such that I would not accept the office, even if it should be tendered to me."

Several new names were advanced today in connection with the Senatorship. Among them were Charles F. Murphy, leader of Tammany Hall, Mayor Gaynor, Thomas Mosborne, of Auburn; Norman E. Mack, and Martin W. Littleton, representative-elect from the Oyster Bay district. John M. Stanchfield, William F. Sheehan and Edward M. Shepard continue to figure in the gossip.

Charles F. Murphy quickly denied any ambition to become Senator. Nothing could induce him to seek the position, he said.

Although Mayor Gaynor refused to be a candidate for Governor, those who desire to put him in the race for Senator argue that in view of the election results the reasons that impelled his refusal no longer exist. The Mayor has said nothing.

FAISON'S MAJORITY 3,200.

Third District Congressman.—Pender Covers Herself With Glory.

(By Long Distance Telephone.)

Burgaw, N. C., Nov. 10.—A canvass of the official returns from Tuesday's election indicates that Pender is the banner Democratic county for the State in proportion to its figures and everywhere Chairman E. L. Larkins of the Democratic County Executive Committee, is receiving the congratulations of the people upon the magnificent victory he and his committee have achieved.

A telephone message tonight from Warsaw gives Dr. John M. Faison's official majority in the Third Congressional District at 3,200. The majority of Rivers D. Johnson, State Senator from Duplin and Pender, is 1,513, Pender having given 720 and Duplin 796 out of a much larger vote, the figures being: Pender, Johnson, 969; Brooks, 249; Duplin, Johnson, 1829, Brooks, 1,033. This is an increase over Hawes' majority two years ago. Pender gives the State ticket 941 Democratic, Republican 280; Congress, Faison, 890; Butler 326, majority 564. The county ticket was given majorities from 700 to 750.

DAUGHTERS OF CONFEDERACY.

Crosses of Honor Presented—Bids for Next Convention.

Little Rock, Ark., Nov. 10.—Crosses of honor were presented to John A. Wilkerson, W. H. Ramsey and J. T. Sweet, all of Arkansas, at the session of the United Daughters of the Confederacy here today.

Reports of the secretaries of all State divisions and executive and financial companies were presented.

Bids for the next convention are being pressed by Washington, D. C., and Richmond, Va.

After a spirited discussion at this afternoon's session the National convention of the United Daughters of the Confederacy voted to amend their constitution, restricting the matter of eligibility for membership.

In accordance with the amendment to the constitution adopted hereafter only the widows, wives, mothers, sisters, nieces and lineal descendants of such men as did honorable service during the war and also such women as can give proof of personal service whose lineal descendants also shall be eligible to membership.

SERIOUS FLOOD IN FRANCE.

Many Villages Inundated, Over 1,000 People Homeless.

Paris, Nov. 10.—A serious flood situation has developed in Eastern France. The river Muerthe and its tributaries, are over their banks. Many villages have been inundated. At Nancy alone there are 1,500 homeless. Immense damage has been done. The valley traversed by the river Moselle is one vast lake. Many factories have stopped work. The river Saone threatens to invade the famous Cruesot Steel Works.

A Total Eclipse of Lard Troubles

Lard is the fore-runner of indigestion. The hog-fat soaks the pastry through and through, fills meats inside and out with a thick, unhealthy grease that the digestive juices cannot penetrate. The result is a call on the doctor whose advice is to go on a diet and avoid all rich food.

You can eat pies, cakes and all kinds of pastry if they are cooked with *Cottolene*, for it is a pure, healthful, vegetable-oil product that contains no trace of hog fat, and does not make food the least bit greasy.

From Cottonfield to Kitchen—human hands never touch the oil from which *Cottolene* is made. The result is that when you buy *Cottolene* you get a cooking fat upon whose purity and cleanliness you can absolutely rely.

TAFT OFF FOR CANAL ZONE.

Embarked on Cruiser at Charleston.—Shown About Carolina City.

Charleston, S. C., Nov. 10.—President Taft and his party who will accompany him on his voyage to the Isthmus of Panama reached Charleston at 7:15 o'clock this morning, on a special train and four hours later embarked on board the armored cruiser Tennessee which, escorted by the Montana, steamed out of the harbor and began the voyage to the canal zone.

During the four hours spent by the President in Charleston he addressed the white school children of the city on Marion Square and the colored school children assembled in front of the Industrial school, declaring that he wished he had fifteen more children in his own family. Before his embarkation, the President was shown a number of places of historic interest in the city. With Mayor Rhett, he and the members of his party, went upon the roof of the tallest office building in town. "Why what a magnificent harbor," he exclaimed, as he looked eastward over the bay.

ANTI-COTTON BOLL WEEVIL.

Conference in Atlanta on November 23rd.—Knapp to Speak.

Washington, Nov. 10.—The constant ravages of the worst foe of cotton and its gradual, but steady spread eastward over the Southern tier of States, will be discussed at an Anti-cotton Boll Weevil Conference at Atlanta, Ga., on November 23. Many delegates will be present from all parts of the South, and Dr. S. A. Knapp, of the Bureau of Plant Industry, and W. D. Hunter, of the Bureau of Entomology, of the Department of Agriculture, who have made special investigations of the subject will represent the government.

Shreveport, La., Nov. 10.—Barney Oldfield, driving a Blitzen-Benz machine here today at the State Fair meeting, broke all Southern records for mile circle track, going the distance in 53 1-2 seconds. The best previous record, made by Oldfield two years ago at New Orleans, was 54 1-5 seconds.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Galena, Kans.—"A year ago last March I fell, and a few days after there was soreness in my right side. In a short time a bunch came and it bothered me so much at night I could not sleep. It kept growing larger and by fall it was as large as a hen's egg. I could not go to bed without a hot water bottle applied to that side. I had one of the best doctors in Kansas and he told my husband that I would have to be operated on as it was something like a tumor caused by a rupture. I wrote to you for advice and you told me not to get discouraged but to take Lydia E. Pinkham's Vegetable Compound. I did take it and soon the lump in my side broke and passed away."—Mrs. R. R. HUEY, 713 Mineral Ave., Galena, Kans.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.

PURE CRYSTAL ICE.

Our process of ice making is sanitary in every particular and has stood the test of time. Only pure artesian water used, from a well one hundred and fifty feet deep, to produce live steam, afterwards condensed and frozen in clean moulds of uniform size, producing ice at a temperature suitable for all domestic and refrigerating purposes. Such ice is economical on account of no tendency to "flake" or break up when used and thus great loss is prevented.

Ice must melt to refrigerate and ours lasts longer in melting than any made.

Let us obviate your ice troubles. Quick service, Quality and Qauntity assured.

ROCKINGHAM POWER COMPANY

Sale of Holdings in New York Very Soon—Two Prospective Purchasers—Power Lines—The Development.

(Special Star Correspondence.)

Wadesboro, N. C., Nov. 10.—The announcement from the headquarters of the bondholders' committee of final arrangements for the sale of the entire holdings of the Rockingham Power Company, the company that has commenced the building of the hydro-electric plant at Blewitt's Falls on Pee Dee river, 12 miles from Wadesboro. The sale was originally set for last month and the upset price as fixed in the order of the sale was $1,000,000. When the day came for the sale no bidders appeared. Application was made to the court for another date and a lower upset price.

The property will be sold in New York City November 24th and this time the lowest bid will be $750,000. It is generally understood that at this price there will be at least two bidders. The Southern Power Company has its eye on the plant and has already made a personal inspection through the president, Dr. Wylie, who came here last month and went over the property. The General Electric Company is also understood as anxious to buy in the property. The plant is more than half completed and over $2,000,000 have been spent. The proposed development will be 30,000 horse power and possibly with some changes even more capacity may be had.

Power lines will reach Wadesboro, Rockingham, Albemarle, Laurinburg, and many other points and the completion of the plant will mean great development throughout this entire section. Eastern parties in conjunction with some of Anson county capitalists have for several months contemplated the erection of a cotton mill with 30,000 spindles and the usual complement of looms if this plant or some other should be completed.

Col. F. J. Coxe, of Wadesboro, one of the attorneys of the Rckingham Power Company, returned yesterday from a trip to New York City and while in the East consulted with the officials and he states that there is hardly any doubt that the sale will be consummated and the plant completed at an early date.

REPUBLICAN RECRUITS.

Gains in Columbus for Democracy.—Farming Lands—Notes.

(Special Star Correspondence.)

Whiteville, N. C., Nov. 10.—The increased Democratic majority in Columbus, given Tuesday, is due more to the votes of men who formerly affiliated with the Republican party than to those who have boasted of their Democracy. It is estimated that at least 300 former Republicans in the county supported the Democratic ticket, and had this vote not changed, with the indifference shown by Democrats, the majority would have been cut down to around 500 or perhaps less. Sheriff Richardson says that at Whiteville a number of former Republicans voted the straight Democratic ticket. One township, Western Prong, and one of the best in Columbus county, went Democratic by 15, but gave Mr. Meares a majority of 26 over Congressman Godwin. Fifteen Democrats scratched Godwin in Whiteville, but several Republicans, while supporting their county nominees, substituted his name for Meares.

Farming lands in this county continue to go up by leaps and bounds. Every day property is changing hands, and each sale shows increased value. As an index to the rapid advance in the price of land, an unimproved tract of land near Cerro Gordo, in the woods, but with all timber cut off, a few years ago sold for $20 an acre. The other day a farmer came from South Carolina and paid $20 per acre for the same. Mr. A. C. Oliver, of Whiteville, tells us that he last week sold several farms and never saw such a demand for land.

A gentleman who rode over Columbus county says there is a fortune in store for the enterprising promoter who will get an option on the swamps and marshes in our county, and then go to New York and organize a company to drain, clear and improve them, selling off to small farmers on long and easy terms. These marshes when drained and opened up will make from 75 to 100 bushels of corn per acre, without fertilizers, and the entire expense of bringing them under tillage will not be over $17 per acre. They are now valueless, can be bought at a mere song, and the timber will more than pay cost of improving as also price of land.

THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. BROWN CREEK DRAINAGE.

New and Promising District Organized in Anson.

(Special Star Correspondence.)

Wadesboro, N. C., Nov. 10.—The land owners along the line of Brown Creek in Anson county are becoming very much interested in the proposition to ask the next legislature to pass a special act providing for the drainage of Brown Creek swamp. The Brown Creek Drainage Association has been organized with Y. H. Allen as permanent chairman and delegates from the Association will attend the meeting of the North Carolina Drainage Association at Wilmington the latter part of this month.

The most influential farmers of the county are actively interested in the project and something will be accomplished. This will mean much to Anson county. It is estimated that about 900,000 acres of fertile land will be re-claimed if the creek is drained for a distance of 28 miles. Much of this land is easily worth $100 per acre and some of it could not be bought at twice that figure, if the stream was drained. Land along the banks now is valued at $100 per acre and one man says that his land is renting for a fourth of that amount each year; of course he would not sell it for that price. The timber will be worth many thousand dollars if the creek is drained so that it can be cut and removed. A conservative estimate is that the proper drainage of the stream will add a million dollars worth of real estate to Anson county by re-claiming this vast section which cannot be cultivated in its present state.

Various estimates have been given as to the cost of the work, but since no survey has been it is impossible to know the exact cost. Even if the cost is $50,000, and this is regarded as a conservative estimate, it will be a big money-making proposition. Another feature which has not been considered, in addition the fertile soil and valuable timber, is the fact that the drainage of these swamps will have a wholesome effect on the health of the section. For many years people living around the creek, have suffered with malaria and its kindred troubles. There is no doubt but that the benefits from the health alone, will be worth the cost.

GOOD CROPS REPORTED.

Greatest Harvest of Corn Ever Gathered—Bureau Statistics.

Washington, Nov. 10.—Bumber crops, led by corn, with the greatest harvest ever gathered were produced by the farmers of the United States during this year. In a general review of crop conditions issued today the Bureau of Statistics of the Department of Agriculture says:

The harvests of 1910 have been practically completed, with results exceeding the expectations during the growing period. Preliminary estimates have been made of the production of most of the important crops from which it appears that the aggregate production of crops in 1910 are approximately 7.6 per cent. greater than the crops of 1909—and about 9.1 per cent. greater than the average annual production of the preceding five years. Prices for important crops average on November 1st, about 5.4 per cent. lower than a year ago.

The production of other crops in 1910, expressed in percentage of the average production in recent years, (not compared with full crop) is estimated as follows:

Peaches 113.1; hops 106.9; broom corn 105.4; cranberries 105.4; sweet potatoes 104.9; sorghum 104.6; asparagus 102.5; peanuts 102.5; cabbages 100.2; Lima beans 100; kaffir corn 99.1 pears 98.9; beans (dry) 98.8; cantaloupes 97.3; watermelons 97; onions 96.5; hemp 95.5; tomatoes 93.7; clover seed 93.6; strawberries 91.5; grapes 88.2; apples 85.8; millet seed 85.7; raspberries 78; blackberries 76.6.

The condition of other crops compared with average conditions at or near time of gathering, was as follows:

Sugar cane 104.1; rice 102.3; sugar beets 100.9; lemons 99.3; cotton 98.9; oranges 95.5.

HESTER'S COTTON STATEMENT.

Weights of 2,786,751 Bales—During September and October.

New Orleans, Nov. 10.—Secretary Hester, of the New Orleans Cotton Exchange, today issued a statement of weights of 2,786,751 bales of cotton handled at out-ports and across the Mississippi, Ohio and Potomac rivers overland to American manufacturers, outside of the cotton belt during the months of September and October, inclusive, showing an average per bale of 520.64 pounds against 513.17 pounds for the same period last year.

The detailed averages are: Texas ports 533.94, against 520.08 last year; Louisiana ports, 522.53, against 510.73; Alabama ports, 533.03 against 513.59; Georgia ports, 511.31 against 514.48; South Carolina ports, 495, against 495; North Carolina ports 497 against 501; Virginia ports, 490 against 500; Tennessee, etc., 514.39 against 514.17.

These averages are based on official returns of the secretaries and superintendents of the exchanges and exports at ports in the States named.

DEATH IN GOLDSBORO.

Mrs. H. M. Dewey Passes Away—Large Number of Relatives.

(Special Star Correspondence.)

Goldsboro, N. C., Nov. 10.—Yesterday at 1 o'clock Mrs. H. M. Dewey died at her home in this city and the funeral was held from St. Paul's M. E. Church this morning at 11 o'clock. She was the wife of the late Dr. Chas. F. Dewey, who preceded her to the grave 44 years ago, and mother of Messrs. Charles, George, W., Thomas, W., and Ernest B. Dewey and of Mrs. J. C. Slocumb, Mrs. Junius Slocumb and Mrs. B. G. Thompson, all of whom, with the exception of Mr. Geo. Dewey, were with her when the end came.

In addition to her children, as above named, she is survived by her brother, Mr. E. B. Borden, eight grand-children and several great-grandchildren, a wide circle of relatives and a host of friends.

FIRE LOSS AT GOLDSBORO.

Seven Dwellings Destroyed. Yesterday—Two Blocks Threatened.

(Special Star Telegram.)

Goldsboro, N. C., Nov. 10.—Fire this afternoon in the Northern part of the city destroyed seven dwelling houses and for a while threatened to make a clean sweep of two blocks. Inhabitants of the burned houses were heavy losers, as the flames spread so rapidly and the heat was intense, that it was with great difficulty they succeeded in removing what few articles they did save.

SEABOARD STOCKHOLDERS.

Held Meeting at Petersburg and Elected Board of Directors.

Petersburg, Va., Nov. 10.—Stockholders of the Seaboard Air Line Railway with 516,476 shares represented, met in annual session at the local offices of the road this afternoon, and elected the following board of directors:

James A. Blair, F. Q. Brown, F. Rieman Duval, L. F. Loree, W. S. Meldrum, Norman B Reams, Walter T. Rosen, Ernest Thalman, H. Clay Pierce and B. F. Yoakum, of New York; Wallace B. Whigham, of London, and John Skelton Williams of Richmond.

All the proceedings of the directorate during the last year were approved by the stockholders.

Both Speedy and Effective.

This indicates the action of Foley Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley Kidney Pills. These cured me entirely of all my ailments. I was troubled with backaches and severe shooting pains with annoying urinary irregularities. The steady use of Foley Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation." Robt. R. Bellamy.

As Miss Engler Tells About, Is Rare, But Relief Was Obtained by Means of Cardui.

Faribault, Minn.—"Let me tell you," writes Miss Myria Engler, "how much good Cardui has done me. As a young girl, I always had to suffer so much with all kinds of pain. Some times I was so weak that I could hardly stand on my feet. I got a bottle of Cardui at the druggist's, and as soon as I had taken a few doses I began to feel better. Today, I feel as well as anyone can."

Are you a woman?

Then you are subject to a large number of troubles and irregularities which are peculiar to women, leading, frequently, in time, to weakness and debility.

A tonic is to help you over the hard places, to relieve weakness, headaches, and other unnecessary pains, the signs of nerve exhaustion and over-work.

Do you need a tonic?

Try Cardui, the woman's tonic. You will never regret it, for it will certainly help you.

As a remedy for women's ills, it is safely reliable.

As a tonic, it is always satisfactory.

Fifty years' success is your guarantee that Cardui will help you, as it has helped others.

Get a bottle at the drug store today.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds *himself* regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

THE MORNING STAR

Published by the WILMINGTON STAR COMPANY [Incd.] Wilmington, N. C.

Entered as second-class matter at the postoffice at Wilmington, N. C., under act of Congress, March 2nd 1874.

FULL ASSOCIATED PRESS REPORT.

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily except Monday, at $6 per year, $3 for six months, $1.50 for three months, 50 cents for one month, served by carrier in the city or by mail.

THE SUNDAY STAR, by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, Eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards or thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office No. 51; Editorial and Local rooms No. 61. Call either if the other doesn't answer.

COMMUNICATIONS, unless they contain important news or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will be invariably rejected unless the real name of the author accompanies the same, not necessarily for publication but as a guarantee of good faith.

Friday, November 11, 1910.

The standpatter now knows how he stands in the estimation of the consumer.

One man power got it in the neck last Tuesday. This is no one horse country.

Wanted: Another landslide to flatten out the knockers who knock while other people boost their city.

"See Charleston First" is the slogan adopted by South Carolina's chief city. Well, "See Charleston First" and then come right on to Wilmington.

The Washington Herald says, "a Pennsylvania man bought a wife for $75." If the tariff regulates prices it certainly has played smash with the market for wives.

It is stated that the average human body contains a pound of iron. Perhaps that's the reason why people get rusty if they do not keep hammering away at something.

The politician who brings about bitter dissensions in his own party might succeed as a factionist but he surely will lead his party to the brink where it will go down with the landslide.

Mrs. Taft set the example of doing her own marketing and prominent Washington women have followed suit. When it gets popular for everybody to do something the world will be better off.

Probably the Hon. E. Carl Duncan considers that 50,000 Democratic majority in North Carolina as his vindication for having been made the family skeleton of the Republican party by M. Butler and M. Morehead.

Mot Morehead and Marion Butler haven't made showing enough to entitle them to preside at the pie-counter. Under the rules regulating failures some other leader should be summoned to organize another Republican cabinet.

Says the Washington Herald: "If you are an admirer of magazine poetry, it may interest you to know that a recent poetical contest held by a magazine was won by an insane woman." Yes, but it is only magazine poetry that she wrote.

If it turns out that Belle Elmore is living instead of having been murdered by her husband, Dr. Crippen, it will be exceedingly lucky for her as well as the condemned man who will be hanged November 23rd, if his missing wife is not produced in the flesh.

According to report the students of the Michigan University last year consumed 132,210 cigars, 33,180 boxes of cigarettes, 52,000 packages of smoking tobacco and 6,850 plugs of chewing tobacco. Anti-tobacconists will express no surprise that so many youths graduate as mollycoddles from our higher institutions of learning.

Says the Greensboro News (Rep.): "All the same, we vote 'no' on the motion to make it unanimous. We are opposed to 5-cent cotton and no market for chickens and eggs at any price." That is precisely what we had when McKinley was President. Does the News mean to lead us to infer that National administrations have anything to do with, or are responsible for, the price of cotton, eggs, and the like? If it does, it takes a position that will hit Republican administrations harder than any Democratic administration could possibly be hit. We should argue politics from a scientific point of view and not with the perspective of absurdity.

DEMOCRACY'S RESOURCES.

The principles of Democracy are as eternal as the human race so far as its rights, privileges and happiness are concerned. The landslide for Democracy in the election last Tuesday demonstrated the living and quickening spirit there is in Democracy and the man who thinks that spirit had vanished or been destroyed was mistaken. In defeat and in victory the principles of the Democratic party will live forever. The Democratic party is renascent and is destined yet to preserve the American Republic as it was founded by the illustrious heroes of the Revolution.

No emergency ever arose that it did not have its Napoleon. In every crisis men have risen to meet it, and certainly it has been so in all the crises with which the Democratic party has met, either in defeat or victory. The Democracy still has leaders and is not lacking for men to come forward at every emergency and distinguish themselves as leaders and statesmen. It is a party of great resources and no American should have any doubt that the Democratic party is prepared and ready with men to come to the front when the party or the Nation needs them. Today the most conspicuous men in this country are five Democratic governors, who were elected last Tuesday in as many great States in the North. Among the Governors of all the States, none are so conspicuous and distinguished today as Woodrow Wilson, of New Jersey; Judson Harmon, of Ohio; John A. Dix, of New York; Judge Simeon E. Baldwin, of Connecticut, and Eugene N. Foss, of Massachusetts. They rank, according to popular conception, as men of the highest type, and the New York World in its estimate of these five Democratic Governors is quite correct when it remarks that "they all bring to the public service records of solid achievements outside of politics." The World congratulates the country upon the elevation of such men in this country and it considers that placing them in the front rank of their party augurs well for the future. Says the World, in speaking of their election:

"It signifies a strong and united Democracy, a strong Opposition represented by a party guided by character and principle, with clear aims and definite duties to perform. If Woodrow Wilson alone had been taken from private life and within a few weeks lifted to a pre-eminent position in the affairs of the country, it would have been a National event. The campaign of Dr. Wilson made in New Jersey was a revelation of powers so striking as to attract universal attention. It proves again how great are the latent resources of this country in men. Not only to the States which they have been chosen to govern is the election of such men a distinct gain, but to the Nation at large it means a general raising of the tone both of politics and public service. The influence that these five Democratic Governors will exercise as local leaders of their party will affect National standards through the example that they set within their separate fields."

The five Democratic governors referred to by the World are the chief governors in the United States and there is no contrast between them and the other governors elected by the Republican party in other States last Tuesday. Indeed, they are the chief executives of States which probably rank as the greatest in the American Union, and it should not be forgotten that Democracy also has furnished the greatest mayor in the country in the person of Mayor Gaynor, of New York. There are others, too, and it all goes to show that the Democratic party is rich in men when the occasion or the emergency demands them.

There seems to have been a great many Democratic Fossils in Massachusetts on the day of election.

Two fire-proof buildings in Philadelphia were destroyed by fire a few days ago. Fire-proofing doesn't seem to fire proof.

Dissension in a party, if not healed early in the breach, will lead to a fall. "A house divided against itself will fall."

"Who is the head of the family" asks Margaret E. Sangster in an article in the Christian Herald. It is hardly necessary to state who she is.

THE CHARLOTTE HIGHWAY.

Meeting of Executive Committee in Moxton on Next Tuesday.

Maxton, N. C., Nov. 8th

The Morning Star, Wilmington, N. C.

Dear Sirs:—It has been decided that there will be a meeting of the Executive Committee of the Charlotte to Wilmington Highway held in Maxton on Tuesday, November 15th, to hear the report of the Engineers and and parties interested in the location of this route, and it is the intention of the Executive Committee to decide on a route at that date.

The Committee wil be glad to hear on that date any persons who have a route to advocate and will give due consideration to all evidence furnished as to the advantages and disadvantages of the different routes proposed.

It is the desire of the Committee to get all the information possible in order that they select the best and most satisfactory route.

Very truly yours,
A. J. McKINNON,
Chairman Executive Committee.

NRSES FOR THE COUNTRY.

The general movement on foot to induce rural communities to employ trained nurses for given neighborhoods is a good one. We have no doubt prosperous neighborhoods in the country would be very glad to have a capable nurse upon whom the people in isolated parts of the country can depend. Such a nurse located advantageously in a community where she could be easily reached by telephone or otherwise would be of immense advantage to pople residing in the country.

Strange, as it may seen, this movement to provide rural nurses and encourage their employment by communities originated in the city of Baltimore and the proposition is being discussed more in the cities than it is in the country. Interest is being created in it by addresses of a practical nature such as was delivered in Baltimore last Monday night before the Holman Association at the Arundell Club by Dr. William H. Welch, the noted pathologist. In a most interesting address the Doctor pointed out the necessity for the promotion of rural nurses, hygiene and social service in rural districts. He asserted that it was only through the existence of modern hygienic conditions that disease could be wiped out and stated that visiting nurses and social workers should visit the country districts and instruct the farmers and workers in health matters and convince them that sanitation and proper care for the sick and injured is of the greatest importance. The questions of health and sanitation are among the most important in the life of the country as well as the city and the campaign to arouse our people upon these subjects will be bound to be beneficial.

The Holman Asociation, of which Dr. Welch is president, aspires to be a National organization and it is the hope of its promoters to spread its work and influence throughout the United States. It is proposed to organize auxiliaries or branch associations throughout the country. At the Baltimore meeting on Monday night one of the speakers was Miss Lydia Holman, after whom the organization was named. She is a well known social worker and has been working in North Carolina for several years. Another of the speakers was Dr. Chas. Waddell Stiles, of Washington, D. C., to whom is given credit for discovering the hookworm disease. Dr. Stiles' address was illustrated with stereopticon views showing conditions of bad sanitation and unhealthy conditions found by him in rural districts he had visited.

The Holman Asociation has its headquarters at Baltimore and its work should be heartily approved and participated in when the opportunity is offered. Mrs. Joseph Colt Bloodgood, of Baltimore, is secretary of the Association.

SENATOR TAYLOR'S SACRIFICE.

Tennessee, of all the Southern States, is the only one to have elected a Republican State official. Capt. Hooper, the Republican candidate for governor, was elected by a fusion of Republicans and disgruntled Democrats. However, the political conditions in Tennessee so far as the Democracy is concerned, are not so hopeless as they were in North Carolina when the fusionists won and negroized North Carolina. In Tennessee a Republican governor was elected, but, in spite of the disaffection and division in the Democratic ranks, the latest returns seem to indicate that the Democrats will have a majority on joint ballot in the General Assembly. Indeed, there are many gratifying evidences that there is a strong Democratic party in Tennessee and no doubt that State will elect a State Democratic ticket two years from now.

We can but express regret at the defeat of Senator Robert L. Taylor, by a Republican, largely at the hands of Democrats who were misled into that unfortunate fusion movement in Tennessee. He had not been in the United States Senate but a year or so till he was called upon to take the Democratic nomination for governor in order to save the Democratic party of his State. He cheerfully made the sacrifice, having everything to lose and nothing to gain but the love and admiration of the true and loyal people of Tennessee. He made a gallant and magnificent fight for his State and his party, and though he lost he is a bigger man and greater Tennesseean in defeat in a cause so unselfish on his part. He entered the fight at a late period in the campaign when his party was torn asunder and had no platform. The movement to make him governor and restore harmony was too late, as the Tennessee Republicans had taken advantage of the deplorable condition of the Democratic party to beguile a faction of the Democratic party into a fusion movement which will neither benefit them nor Tennessee.

However, there will be no "gloom of defeat" for a man so cheerful, and conscious of having done his duty to his State, as Bob Taylor. He had no ambition to gratify in quitting the Senate to become governor, and the unselfishness he displayed for his party and his State is not only rare but illustrious. The man of "The Fiddle and the Bow" has illustrated the highest type of patriotism and statesmanship in his noble sacrifice and surely he deserves to live forever in the gratitude and love of loyal Tennesseeans. There can be nothing but admiration for the great type of manhood displayed by Tennessee's popular son. All hail to such men as Bob Taylor!

Maine started it.

Montana has elected a Republican named Pray. In most other States Republicans became the prey of Democrats.

Evidently the big Dictator did not go about it in the right way. There is no exact formula of despotism; but some things are plain. In no case has One Man set himself above other men by asserting that they were crooks and incompetents or by holding up to ridicule their most cherished beliefs and institutions. There is nothing in this world more pitiless than the indifference or scorn of a great and self-reliant democracy when it turns its back upon a convicted self-seeker.—New York World.

During the fiscal year 1909, the office of Public Roads constructed 205,032 square yards of sand-clay road against 42,634 square yards for the preceding fiscal year. Experience has shown that our earth roads can, in general, be very much improved by proper construction and systematic maintenance at a cost well winthin the reach of almost any community. Furthermore, these improved earth roads serve as the best possible foundation for further improvements with a hard surface as means become available. Sand-clay has proved a satisfactory substitute for macadam in many sections of the country and the office of Public Roads is encouraging a more general use of this method of construction. To establish the value of this form of construction in cold climates a number of experimental sand-clay roads were constructed in the Middle West States. —Greenville (S.C.) News.

It is to be hoped that Judge Baldwin will not permit the vindication given him by his election as Governor of Connecticut to deter him from the determination to hold Colonel Theodore Roosevelt responsible in damages for slander spoken during the progress of the campaign. It is true that the result of the election shows that, so far as the voters were concerned, the slanders were harmless. But coming from a man of Roosevelt's reputation, and repeated with brutal indifference to the facts as they were, they not only affect Judge Baldwin's reputation as a lawyer and jurist adversely, but they call for a rebuke as positive and public as it is possible to make it. A suit under these circumstances and a verdict against a defendant of Roosevelt's standing would do much toward placing political discussion on a saner plane. It would hold the red light of caution before demagogic utterances and reckless statement. It would let it be seen that the mere heat of a campaign is not sufficient to give license to the propagation of malicious falsehood. It would be an object lesson to the effect that under the laws as administered by the courts not even political exigency will excuse assaults upon character and reputation.—Richmond Virginian.

AUDITING COMMITTEE MEETS

County Board in Session for Two Hours Yesterday Afternoon—Report of Treasurer Green for October—Audit and Books.

Sitting as an auditing committee, the Board of County Commissioners met in regular monthly session at the Court House yesterday afternoon at 3 o'clock with Chairman D. McEachern presiding and Messrs. Metts, Montgomery and Divine, mmbers of the board, and Mr. Williams, the clerk, in attendance. Upon the sugestion of Chairman McEachern it was decided to defer until after the annual report of Clerk Williams the matter of securing an auditing company to audit the books of the county, and it is not probable that any company will be engaged for this work as Mr. Wiliams' report will very likely cover everything in detail.

The report of Treasurer H. McL. Green for the month of October is submitted ao the committee yesterday and approved was as follows:

Balance on hand October 1st—General county fund, $44,469.65; special county fund, $89.90; road fund, $12,819.70; road sinking fund, $11,693.84; hospital fund, $967.12.

Receipts—Cash from county home, $15.60; costs from Recorder's court, $425.80; property tax, 1910, $2,310.91; marriage licenses, $30.40; cash from county home, $60.55; cash from sale of rock for and on account of road fund, $4.50; cash from jail fees, $1.10; cash from interest for and on account of sinking fund, $112,30, a grand total of $35,115.83.

Disbursements—By order to transfer, $262.44; United Charities $103.50; out door poor, $344.06; county home, $269.89; public building, $76.56; roads and bridges; $131.50; Superior Court, $545.80; Recorder's Court, $150; jail, $159.40; stationery and advertising $64.20; tax listing, $65.50; election, $13.50; magistrates, $35.75; County Commissioners, $144; miscellaneous account, $32.66; Register of Deeds, $21.10; attorney, $83.33; janitor, $55; treasurer's commissions, $90.11; hospital, $759.37; road sinking fund, $1.40; road fund, $2,177.26; a total of $5,803.68, leaving a balance of $29,312.15.

NEWS OF THE SHIPPING.

Three Steamers Arrived Yesterday—Busy Day in Marine Circles.

Three British steamers arrived in port yesterday, two light to receive cotton for foreign export, and one with cargo of potash from Germany. The British steamers Winnie, Capt. Shotten, and Hilglen, Capt. Pulford, both came light to Messrs. Alexander Sprunt & Son, and have visited this port for the staple several times during previous seasons. The first named comes from Norfolk and the latter from Liverpool.

The British steamer Friederike, Capt. Reynolds, brings a cargo of potash from Germany to be discharged at the Seaboard and Wilmington Compress & Warehouse terminals. This is the first steamer with potash from Germany this season, the delay being caused by differences which arose some time ago between the mine owners, German government, and the American contractors.

While the matter is still pending, it is understood that it has been sufficiently adjusted to permit shipments of the fertilizer constituents. There will be several more steamers from Germany with potash during the Winter.

The tug Standard, Capt. Lingo, towing S. O. barge No. 81, arrived yesterday from New York to discharge cargo here.

LOOKING AFTER SCHOONER.

Capt. White, Owner of the Silver Spray, Back in Wilmington.

Capt. E. I. White, owner of the schooner, Silver Spray, which was towed into port waterlogged by the tug Blanche some two months ago, arrived yesterday from his home in Maine to look after the vessel. He will make an effort to secure a master and a tug boat to tow the vessel to Newport News for repairs.

Capt. White came here soon after the vessel was brought to Wilmington in distress and went back home after placing her in charge of Capt. Godfray, of Milbridge, Me. The latter decided that he could not carry the vessel to Newport News and returned home. The schooner has been pumped out and is in condition to make the trip to the shipyard.

Capt Thos. Calder, who was taken ill at sea while the vessel was in distress and was placed in the Marine hospital here, will soon be able to leave. He will return to his home in Maine.

CASES WERE DISMISSED.

Several Persons Before Recorder for Obstructing Sidewalks.

As a result of the recent activities of the police in the enforcement of the ordinance against the obstruction of sidewalks, following the action of the Aldermen Monday night in instructing the chief of police to carry out the law to the letter in this regard, there were several well known persons before the Recorder yesterday morning, but the evidence did not tend to establish their guilt and they were discharged.

In the cases against Mr. Neal McEachern, of J. S. McEachern Sons, and Mr. Thomas Pickett, of Captain W. P. Oldham's store, the evidence was to the effect that goods were only temporarily on the streets; the goods of the former being received as a shipment and in the case of the latter the goods had been placd on the sidewalk for delivery to a purchaser. A similar charge against Mr. Tim Robinson was also dismissed. Mr. Ben Goodman, of Goodman Bros. was also called to answer the charge of obstructing the sidewalks. The evidence in this case was to the effect that the defendant had some garments hanging on a hook in front of the store, this constituting obstruction of the sidewalk in the opinion of the police. Mr. Goodman was also declared not guilty. A case very similar against Mrs. L. Goldstein, who conducts a business at Front and Dock streets, was continued until today.

Robert Small and Donie Underwood, colored, were fined $5 each and costs for disorderly conduct.

A case against P. P. Greenberg, proprietor of Riverside restaurant at the foot of Market street, charged with selling three half pints of whiskey to B. D. Parker, a white man, was continued until today. The defendant was arrested yesterday morning by Patrolman C. S. Burnett, who made the affidavit upon information furnished him, presumably by Parker. The alleged sales were made on Wednesday. The defendant gave bond for his appearance at trial today.

ANNUAL MEETING HELD.

Wrightsville Beach and Suburban Developing Co. Declares Dividend.

The annual meeting of the stockholders of the Wrightsville Beach and Suburban Developing Company was held at noon yesterday in the office of J. G. Wright & Son, No. 124 Princess street, with practically all the stockholders represented. Mr. B. C. Moore was called to the chair and presided, while the secretary, Thos. H. Wright, kept a record of the proceedings. Reports of the officers showed the affairs of the company to be in splendid condition and it was decided to extend the operations of the company not only as to beach property but in Wilmington as well. Heretofore the company has confined its operations to Wrightsville Beach, but it has passed the infancy stage and is now in position to broaden out. A dividend of 8 per cent. was eclared. Col. John VanB. Metts was re-elected president; Mr. A. B. Skelding vice president; Mr. Thos. H. Wright, secretary and treasurer, and Mr. R. H. Northrop, assistant secretary and treasurer. The officers and the following named compose the board of directors: Messrs. C. E. Taylor, Jr., W. A. French, Jr., and C. D. Maffitt When the company was first organized it erected 17 cottages at Wrightsville Beach, on the sound side of the car tracks, but most of these have been sold.

COMMITTEES TO MEET.

Those Arranging for Convention of Drainage Association Next Month.

A meeting of the committees selected to arrange for the convention of the North Carolina Drainage Association, which will be in session here from December 21st to 23rd, inclusive, are requested to meet at the Chamber of Commerce today at noon.

A number of matters in connection with entertaining and receiving the delegates, who will come from all parts of the State, will be taken up and it is necessary that a majority of the members of each committee be present. Considerable interest is being manifested in the convention, which will doubtless be largely attended. A private letter last evening from Dr. John M. Faison, Congressman-elect, from the Third District, says that he will be present and he is expected to take an active part in the deliberations of the convention, which has for its object not only the drainage of swamp lands, but alll lands requiring drainage.

DEATH OF MISS MARY BRIDGERS

Passed Away Yesterday Morning at Early Hour, After Illness With Fever—Beautiful Character and Useful Life.

The community was shocked and saddened beyond expression yesterday morning upon the announcement of the death of Miss Mary Bridgers, which occurred at an early hour at the residence, in Carolina Heights, of her friend, Mrs. Ella Weill, with whom she had made her home for some time pending the completion of a handsome new home which she was having erected for herself in the same suburb.

On account of the large part which Miss Bridgers had in developing the splendid residence suburb in which she resided and the investments which she had made in the upbuilding of her town and city, being possessed of quite a large estate, together with the fact that she was the founder and one of the chief exponents of the Christian Science faith in the city and State, she was prominent in the community, and the news of her death came yesterday with peculiar sadness and sorrow to a host of friends and acquaintances throughout the community. Endowed with a sweet and most lovable disposition, together with many charms of person and manner, she was universally beloved wherever she was known, and everywhere yesterday were nothing but expressions of profound sorrow at her passing.

Miss Bridgers was a daughter of the late Col. R. R. Bridgers, president of the Atlantic Coast Line Railroad Company in its earlier days, and of Mrs. M. E. Bridgers, who preceded her to the grave in August, 1907. She was educated in the public schools of the city and at college in the North, having lived in Wilmington all her life. During recent years she purchased the property lying north and east of Sevententh and Market streets and has established there one of the most beautiful residence suburbs in the State, besides alloting land and contributing largely to the erection there of the First Church of Christ, Scientist, which was the first of that denomination built and dedicated in North Carolina and to which faith she remained faithful to the end, giving a large part of her time and liberally of her means to its support. One of her characteristics was her gentle spirit, her large charity and benevolence and her sweet devotion to her friends and to her ideals. With a pleasant smile and a word of cheer to everyone who enjoyed the fortune of her acquaintance, her life was indeed a benediction to those about her. Members of the family have the tenderest sympathy of the community in the great loss which they have sustained.

While superintending the construction of her new residence in Carolina Heights early last month, Miss Bridgers suffered a severe fall, from which she was unconscious for several hours, but later apparently recovered when typhoid fever developed. The tenets of her religious belief being opposed to the attentions of a physician, she steadfastly refused even to the hour of her death to receive the attentions of other than those of her church charged with the physical well-being of the congregation, though members of the family not affiliated with the church persistently offered the services of the best physicians to be had. When her condition became serious, under the direction of Mrs. Augusta E. Stetson, of New York, Mrs. Pearson, of the Mother Church, Scientist, came to be with her, but her ministrations were apparently without avail and Miss Bridgers passed away peacefully, as she had lived, yesterday morning at the hour of six o'clock. A certificate of the death was given yesterday through the proper official channels by Mrs. Weill, a practitioner of the local church, with whom Miss Bridgers had resided and to whom she was tenderly devoted.

After a brief informal memorial service by members of the Christian Science Church at the residence of Mrs. Weill at 5:30 o'clock yesterday afternoon, the remains were taken in charge by Mrs. Preston L. Bridgers, a sister-in-law of the deceased, and were conveyed to the home of Mrs. Bridgers, Third and Dock streets. The funeral arrangements are not announced pending the arrival of Miss Emily Bridgers, a sister, of the deceased, who had reached Baltimore from Stamford, N. Y., at 8 o'clock last night and who is expected to reach Wilmington this morning, and a brother, Mr. Geo. Bridgers, who will also likely reach the city today. These are the only members of the immediate family, except several nephews and nieces, who have been notified of the sad death. It is probable that the funeral will be held from St. James' Episcopal church this afternoon at 3:30 and the remains will be laid to rest in Oakdale cemetery. An effort is being made to get in communication with Bishop Robert Robert Strange, of the East Carolina Diocese of the Protestant Episcopal Church, who will likely conduct the services.

Y. M. C. A. WEEK OF PRAYER

Beginning November 13th and Continuing to the 20th. Will be Observed by Local Association.—The Speakers Announced.

In common with all other branches of the organization, throughout the world, the local Young Men's Christian Association will observe the week of prayer, beginning Sunday, November 13th, and continuing through the 20th, and a most attractive programme has been arranged by Mr. H. G. Bowden, associate secretary, who has this phase of the association work in charge. It is the purpose of the association to make the season a genuine week of prayer for men and min's organizations—a week charactrizd by a deep devotional spirit, unity of aim and purpose, and inspiration for the year's work for men by men.

A special topic has been assigned for each day of the season as follows: Sunday, November 13th, Association Day and Foreign Topic; Monday, 14th, Brotherhood Day and Foreign Topic—Africa; Tuesday, 15th, Adult Bible Class Day; Foreign Topic—South America; Wednesday, 16th, Local Extension Day and Foreign Topic—Asia; Thursday, 17th, Social Service Day and Foreign Topic—Australasia; Friday, 18th, Patriotic Day and Foreign Topic—Europe; Saturday, 19th, Immigration Day and Foreign Topic—Mexico and Central America; Sunday, 20th, Special Evangelistic Day.

The observance will begin Sunday afternoon with a service in the Y. M. C. A. parlors at 5 o'clock, when the Rev. Dr. W. H. Milton, rector of St. James' Episcopal Church, made an address on "The Responsibility of Talent." Dr. Milton is a fine speaker and will be heard with much interest on this occasion. During the week a mid-day meeting will be held in the rooms of the association from 1:05 to 1:30 P. M., and in addition there will be an informal prayer service every night from 1:05 to 1:30 P. M., in the parlors of the association to which all the men of the city are most cordially invited. There will probably be other prayer services during the week, announcement of which will be made later.

The mid-day meetings next week from 1:05 to 1:30 P. M., will be conducted by the following: Monday, November 14th, Rev. Dr. A. D. McClure, pastor of St. Andrew's Presbyterian Church; Tuesday, Rev. Thos. A. Smoot, pastor of Grace Methodist Church; Wednesday, Rev. W. A. Snyder, pastor of St. Paul's Evangelical Lutheran Church; Thursday, Rev. Dr. J. H. Foster, pastor of the First Baptist Church; Friday, Rev. C. M. Morton, pastor of the Christian Church; Saturday, Rev. W. E. Cox, rector of St. John's Episcopal Church. These speakers will use the topics given above on the days to which they have been assigned. The speaker for Sunday, November 20th, has not yet been secured, but he will be an out-of-town speaker of prominence. All the Y. M. C. A. members and others interested in the work of the organization are asked to co-operate with the officers of the associations and bring about great results from the Week of Prayer.

Dr. McClure Will be Speaker.

Rev. A. D. McClure, D. D., pastor of St. Andrew's Presbyterian church, left yesterday for Red Springs, where he will attend a gathering of the Red Springs Presbytery, held in the interest of the Presbyterian college for women at that place. Dr. McClure will deliver an address on "Education for Women in the Home." An effort will be made to raise funds for the college.

Saves an Iowa Man's Life.

The very grave seemed to yawn before Robert Madsen, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for stomach, liver or kidney troubles and never disappoints. Only 50c at Robert R. Bellamy's.

OFFICIAL COUNT OF BALLOTS

Board of Canvassers Met Yesterday and Declared Result of Tuesday's Election—Godwin Over 900 Majority.

The County Board of Canvassers composed of one election officer from each ward and precinct in the county, met at the Court House yesterday at noon to canvass the returns of Tuesday's election and at 5 o'clock in the afternoon, after a double session of two hours each, the result was declared. The official count shows that Godwin received 1,089 votes for Congress and Meares received only 166, giving the former a majority in this county of 923 votes. Using the vote for Chief Justice as a basis the Democratic State ticket received 1,132 votes and the Republican State ticket only 97. The tabulated vote is found in another column of today's paper.

When the board was called to order at 12 o'clock yesterday Mr. W. W. Hodges, member from the Second Ward, was elected chairman and John W. Gafford, Esq., from the Fifth Ward, was elected secretary. Other members of the board, all of whom were present, are: J. H. Johnston, Cape Fear township; John Harrow, Masonboro; Melvin Horne, Federal Point; Joe L. Ray, Delgado; J. A. Everett, Harnett; Isaiah West, First Ward; A. G. Hankins, Third, and Roger Kingsbury, Fourth. Chairman Cameron F. MacRae of the Board of Elections, was also in attendance. After being in session until 2 o'clock, adjournment was taken until 3 o'clock, when the board re-assembled and continued in session until 5 o'clock, when the result was officially declared.

It will be of interest to note that Masonboro township went solid for Democracy, not a single Republican vote being cast. Mr. John Haar, for Register of Deeds, led the ticket with 1,188 votes; Mr. H. McL. Green coming second with 1,187 votes. Two years ago Mr. Haar led the ticket by one vote over Sheriff Cowan and Treasurer Green. In the Third Ward Alderman B. O. Stone and W. P. Manugm Turner, Esq., received one vote each for the House of Representatives, and in the Fifth Ward Louis Goodman, Esq., received one vote for solicitor, all these being complimentary votes.

The vote for all the State officers run about like that of Chief Justice, varying only slightly, therefore it is not deemed necessary to give the votes. The following are the Democratic candidates on the State ticket, all of whom received about the same vote: For auditor, William P. Wood, Randolph county; members of Corporation Commission, William T. Lee, of Haywood county, and Henry C. Brown, of Wake; Chief Justice, Walter Clark, of Wake; Associate Justices, Platt D. Walker, Mecklenburg, and William R. Allen, Wayne; judges Superior Court, second judicial district, Robert B. Peebles, Northampton county; third district, Harry W. Whedbee, Pitt; fourth Charles M. Cooke, Franklin; sixth, Frank A. Daniels, Wayne; eighth, William J. Adams, Moore; tenth, Benjamin F. Long, Iredell; eleventh, Henry P. Lane, Rockingham; thirteenth, Garland S. thirteenth, Edward B. Cline, Catawba; fourteenth, Joseph S. Adams, Buncombe; sixteenth, Garland S. Ferguson, Haywood.

For solicitor of this, the fifth judicial district, Henry E. Shaw, of Lenoir county, received 1,145 votes. N. B. Chadwick was elected constable of Cape Fear township receiveing 29 votes, and Geo. R. Smith, was elected constable of Harnett township with 74 votes. The only other constable voted on was Mr. W. B. Savage, of Wilmington township, who received 1,024 votes. R. F. Lewis and W. H. Williams were elected magistrates in Federal Point township, receiving 13 and 14 votes, respectively; Gerritt Walker, 70 votes, an J. O. Grimes and H. C. Mason, each 73 votes, were elected and in Cape Fear township the following were declared elected: J. R. Hardee and J. H. Johnston 31 votes each and P. H. Raspberry eight votes. W. S. Cooper received four votes and D. E. Kerr received eight for magistrate in Cape Fear township. There were no magistrates voted on in Masonboro township. The magistrates declared elected in Wilmington township, neither having opposition, were: W. Mc. Evans, G. W. Bornemann, W. L. Burkheimer, E. C. Woodbury, S. A. Matthews, A. H. Jones, C. C. Covington, W. E. Perdew, R. H. Pickett, A. S. King, J. R. Davis, W. F. Jones, J. W. Smith, S. P. Raines, W. H. Cox, G. W. Smith, E. J. W. Anders, Geo. C. Jackson, A. McRae, H. W. Howell, E. B. King, T. W. Wood, W. D. McCaig, D. M. Carroll and A. W. Ek.

Havana, Nov. 10.—The Detroit baseball team won its first game here today from the Havana team, the score standing 10 to 2.

Brief Mention, News of Societies, Meetings, Etc.

Miss Lottie Robbins, of Phoenix, is the attractive guest of Mr. and Mrs. J. Davis Robbins, No. 218 North Second street.

* * *

Mrs. J. Fred Russ, and children, left Wednesday for Rocky Mount where they will spend a month visiting relatives at that place.

* * *

Friends in the city have received invitations to a reception to be given by Mrs. Addison Ricaud at her home on Orange street, Thursday afternoon, Nvember 17th, from four to six o'clock.

* * *

The Art Department of the North Carolina Sorosis will not hold their regular meeting this (Friday) afternoon, but will meet with the Literature Department on Thursday, November 24th, in the club rooms at the library.

* * *

The usual week-end dance of the Saturday Evening German Club will be held in the Masonic Temple ball room Saturday night, beginning at 9 o'clock. It is expected that the attendance will be unusually large. The music will be furnished by Kneisel's Orchestra.

* * *

A delightful event announced to be given in the store room recently occupied by the Delmonico Cafe this evening will be under the auspices of the Ladies' Home Missionary Society of the First Presbyterian Church. The invitation in rhyme was printed in yesterday's paper and the public is cordially invited to attend.

Many friends of Dr. Kingsbury, who suffered a stroke of paralysis last week, will be glad to learn that his condition yesterday was much improved. He regained consciousness yesterday morning and recognized all of his children who were in the room. His condition was so much improved yesterday that it was stated that he would be up again today.

* * *

Another dance will be given tonight in the Masonic Temple by Mr. Kneisel and if the attendance last Friday night is an indication of the number who will attend during the season the dances will prove even a greater success than last season. There were thirty couples in attendance last Friday night. Excellent music will be furnished by Kneisel's Orchestra and the young people of the city are invited to attend.

Mrs. Joseph Mathers and Mrs. Lyman Nichols, of New York, who are the attractive guests of Mrs. Allan Nichols, have been the recipients of much social attention this week. Wednesday night Miss May Beverly French charmingly entertained at bridge in their honor at her home on North Sixth street, and yesterday Mrs. J. V. Grainger delightfully entertained at luncheon in their honor at her home on Market street. The luncheon was attended by ten ladies and the event was one of great pleasure to all. This afternoon Mrs. Nichols will entertain at a reception, complimentary to her guests at her home on South Front street.

INVITATION FROM LADIES TO BAKED BEAN LUNCHTON.

Our Yankee cousins are in town
And have brought with them a pot,
Of Boston beans so rich and brown,
They will serve them piping hot.
No better luncheon could you eat,
Than a dish of Boston beans,
With pork so brown and 'lasses sweet
As sweet lassies in their 'teens,
With pies and bread and pickles, too,
That will melt right in your mouth,
We guess and reckon that it's true,
They are liked both North and South.
Come in! Come in! and get your lunch,
The charge is moderate,
Come one by one or in a bunch,
But be sure, you're not late.

Owing to a typographical error in yesterday's paper it was made to appear in the report of the meeting of the North Carolina Sorosis on Tuesday afternoon that the civic committee would undertake to exterminate mosquitoes and flies and do a number of other things looking to the improvement of the general health of the community, when it should have been health committee which will undertake these much desired improvements. The civic committee made a report at Tuesday's session, but its plans for the Fall and Winter have not yet been announced, but will as soon as they have been formulated in detail. The health committee which will have as its object the betterment of health conditions and in which they will have the hearty support of the entire city is composed of Mrs. M. L. Stover, chairman; Miss Marguerite Gibson, Mrs. Andrew J. Howell, Mrs. C. C. Covington and Mrs. C. T. Harper.

The Spielgartenfest promises to be the most delightful social event of this season, having as it does a great cast of society leaders in all sorts of singing and dancing novelties. The dancing is spoken of as being exceptionally clever and the chaperones are much pleased with the efforts of those taking part. Some 75 costumes have been ordered from Baltimore which will be distributed the first of next week and will be used at the dress rehearsal Wednesday night. Tickets for the Spiel's performances were given out to a host of children yesterday to be sold to friends and patrons and the ladies having charge of the entertainments desire to announce that all the large stiff tickets sold by children and received in letters can be exchanged for regular coupon tickets at the Academy box office anytime after Wednesday next from 10 A. M. until 5 P. M. As hundreds of patrons' tickets are being sent through the mail to regular theatre-goers, which will no doubt be accepted, a great rush for coupon tickets is looked for and on account of the wrecking of DeRosset's window last season when the mad rush for Slumberland seats went on sale, it was decided to use the Academy box office this time and avoid further difficulties. Harry Foote's productions have been a sign for standing room only in this section and as the District Nurse fund is to be benefitted and the shows are really of high standard and draw on their merit, great crowds are expected to patronize the Spielgartenfest.

LOCAL DOTS.

—There will be a meeting of Cape Fear Camp, No. 254, U. C. V., at the W. L. I. Armory at 8 o'clock tonight and all members are requested to attend.

—Services preparatory to the communion next Sunday will be held tonight in the lecture room of the First Presbyterian Church. All are invited who wish to come.

—By deed filed for record yesterday J. W. Joyner and wife transfer to W. E. Yopp and wife, for $100 and other considerations, lot on north side of Swann, 41 feet west of Seventh street, 34x60 feet in size.

—"What does t-a-f-t stand for?" was the interrogation which went the rounds yesterday. The answer doped out by the person who started the query was not guessed every time, but it was admittedly a good one, being, "taking advice from Teddy."

—The regular semi-monthly meeting of the Commissioners of Streets will be held at the City Hall this afternoon at 3:30 o'clock, at which the question of draining Macomber's ditch with a view of putting it in a sanitary condition will be finally considered.

—There is much interest in the appearance here tonight of Fornia, the noted soprano singer, and Tibaldi, the equally famous violinist, who will give a recital in the Academy of Music. These renowned and talented musicians were secured under a heavy guarantee and the music lovers of the city should show their appreciation of the efforts to bring high-class attractions of the kind to Wilmington by their liberal patronage tonight. The sale of seats is now on at Plummer's.

FEDERAL COURT YESTERDAY.

Several Whiskey Cases Were Investigated at Session.

The time of the second day of United State Court was consumed with the hearing of cases in which defendants were charged with violations of the internal revenue laws and several of these were disposed of. When court reconvened yesterday morning Hon. John D. Bellamy, acting for John G. Shaw, Esq., attorney for James Black, a negro of Cumberland county, charged with retailing without license, asked that the case be continued until the next term on account of the absence of material witnesses who could not be present at this term. No true bill had been returned by the grand jury and consideration of the request for continuance was postponed, but later the case was transferred to the session of Federal court which convenes in Raleigh November 22nd.

Through his attorney, William J. Bellamy, Esq., Wiliam Mintz, a middle-aged white man, of Brunswick county, entered a submission to the charge of retailing. The government officers found a barrel containing about 30 gallons of "molasses rum" in Mintz's smokehouse, a short distance from his residence. The defendant stated in court that he bought the whiskey from a man who passed his house one night and stated positively that he did not manufacture the stuff and declared he did not know it was a violation of the law to have it in his possession. Judge Connor took the case under advisement.

George Little, colored, for retailing, was required to pay the costs, and C. M. McArthur, a white man, charged with the same offense, was sentenced to 30 days in jail and to pay a fine of $100 and costs.

At the afternoon session of court Brad Strickland, a white man, of Cumberland county, was tried and found not guilty of the charge of retailing, but D. Marlow, a white man, of Columbus county, was found guilty and required to pay a fine of $100 and costs. The jury was excused at 4 o'clock until 9:30 o'clock this morning, court having worked up to the grand jury. The remainder of the afternoon was taken up in the argument of a motion in a matter of equity entitled New Jersey & North Carolina Land & Lumber Company against the Gardner-Lacy Lumber Co. Meares & Ruark represent the plaintiffs and Rountree & Carr, J. D. Bellamy & Son and J. B. Schulken appear for the defendant company. An order in the case will be signed later.

BELL NOT CHIEF VIOLATOR.

Most Telephone Wires in Downtown Sections are Underground.

In the local in yesterday's paper, in connection with the enforcement by the Chief of Police of the law against obstructions in the streets, it should have been stated in justice to the Southern Bell Telephone Co., that practically all its wires in the downtown section are underground and they are not the "chief violators" under the ordinance, regardless of their franchise to string their poles, wires, etc., as a public utility over the streets and alleys of the city. The notice of the Chief of Police is understood to have also applied to the Western Union and Postal telegraph companies and the Tidewater Power Co., all of which have their poles and wires strung in the streets as well as the Southern Bell. Yesterday, it was ascertained that the "obstruction ordinance" does not apply to these companies which are fully within their rights and occupying the streets as public utilities under the franchise granted them by the Board of Aldermen.

AMUSEMENTS

Joyland —*— Palace —*— Academy —*— Bijou

Tonight Wilmington will be offered one of the best musical events it has ever had, in the recital to be given by Rita Fornia, the noted grand opera soprano, and Arturo Tibaldi, the well known English violinist. These two artists, with Miss Emma Coburn, a superb accompanist, will reach the city early this afternoon from Columbia, S. C., where they gave a recital last night.

The concert tonight will be of a high order and should be attended by a large audience. Upon the financial fate of this event depends whether or not other fine attractions will be brought to Wilmington, especially Mme. Liza Lehman, who has offered a date to those promoting the present concert. So it can be seen that the affair tonight is of double importance. It has been decided to make the price of rush-seats 50 cents, which should itself assure a large crowd in this particular, as an admission of 50 cents to hear Fornia and Tibaldi is indeed something exceptional and should be a rare opportunity that will not be allowed to slip.

Mary Mannering.

Since the announcement of the coming to the Academy Monday night of Miss Mary Mannering the amusement loving public of Wilmington has been in a flutter. It has been readily recognized that the event will indeed be an important one—the greatest in the history of the Academy—and indications point to a jammed house. It was only by some diplomatic moves and most vigorous action that Mr. S. A. Schloss induced the Shuberts to permit Miss Mannering to open her brief Southern tour in Wilmington. Heretofore such honor has always fallen to Richmond, but Mr. Schloss induced the Shuberts to allow Miss Mannering to start her tour here, and so the noted actress and original company, together with the massive New York production, now running, will come direct from Gotham Sunday to Wilmington. Seats will go on sale at Plummer's tomorrow morning. The lower floor will be $2 and $1.50 and the balcony but $1 and 75 cents. The free list has to be suspended for this performance.

In "A Man's World" Miss Mannering has found the most successful vehicle of her career. Her appearance here at the Academy will therefore be a matter of deep interest to theatre-goers who have followed her fortunes from her first success until this crowning success of her career. This new play by Rachel Crothers is told with humor, realism and contains a number of finely drawn characters.

The heroic battles against the standards of a man's world, in which man sets the moral code for women and expects her to live up to it. She says that men should both live up to the same rules, and when she discovers that the man with whom she is in love has failed to live up to her expectations, she is confronted with the choice of giving him up, or being true to her ideals.

The Fornia Attraction.

Editor Star:—Will you kindly allow me space to add my little word of approval to the effort Mr. R. H. Cowan is making and has made to bring to our city such a musical organization as the Fornia-Tibaldi company undoubtedly is? While I am not personally acquainted with any of them, nor the management behind them, yet I am convinced, from the high-class artists in this line he has handled in the past, that this is all and possibly more than Mr. R. E. Johnston claims for it. I am further inclined to believe that Miss Fornia's ability to take the most prominent parts in grand opera in New York and this on short notice, would require talent far above the ordinary because one must have superior ability even to have any part in the chorus of such an organization as the Metropolitan Opera Co. As I happen to be cognizant of some of the facts regarding the coming of these artists it may not be amiss to state just the position the local management finds itself in at present. The flat contract calls for $325, to be paid the company. The incidental expenses such as rent of the Academy, programmes, expressage, advertising, and other smaller demands which invariably arise, will bring it up to about $375. Up to this evening, the box receipts foot up barely $175, leaving a deficiency which the youngest can figure out. Now the theatrical managers are taking notice of the houses that Wilmington is giving to the attractions that have come so far and will come later on and it is fair to presume that unless the attendance picks up we will find ourselves having to be content with 10, 20 and 30 cent shows possibly in the future, as they are unwilling to bring their attractions here and go away with a loss in pocket. No longer than when the Aborn Opera Company was here, the manager with the show was very much disgusted with the receipts, which fell far short of netting their expenses and leaving a small balance of the right side of the ledger, while I am informed that Charleston gave them big houses at two night performances and matinees besides. They also tried hard to cancel the date for us but were urged to come and did so hoping against what they believed would be a paying engagement. And, too, the probability of having the pleasure of hearing Madame Liza Lehman and her European Quartette next January will be denied us unless this venture is made to pay at least the guarantee. This will certainly do the town no good from this standpoint and as Wilmington is progressive along other lines she can certainly afford to have such an elevating atmosphere as music surrounds not only an individual but a community, rest upon the rather low and obscure platform she occupies today. So, if we would keep her along in the front rank and compare with our sister cities of Charlotte, Greensboro, Raleigh and Spartanburg in South Carolina, we must certainly take advantage of such opportunities as this and give this attraction the house it undoubtedly deserves. In closing, permit me to say that I have no interest financially or otherwise in having this company come here, but having been connected in the past with music, although on a small and insignificant scale, but invariably on the losing side, I am more than anxious that the town should redeem itself on this occasion. Thanking you for the courtesy of your splendid newspaper, I am,

Yours truly,
E. H. MUNSON.

The Crystal Palace.

The bill at the Crystal Palace continues to draw large and well pleased and thoroughly satisfied audiences. The mid-week change of programme went on yesterday and proved as attractive as the offering the fore part of the week. The theatre is crowded every afternoon and evening.

The Bijou Today.

The Bijou today will show another splendid Biograph picture entitled "A Salutary Lesson," in which is shown the almost fatal result of parental indifference. Lack of attention toward the child almost reached a fatal culmination. "The Sage, the Cherub and the Widow" is the title of another picture of interest that will be shown today.

Candy Day at Joyland.

This is candy day at Joyland theatre and everybody is invited to attend and see how their luck runs. Two feature films will be shown. "The Music Teacher" is a fine drama and "The Heroic Coward," a splendid comedy subject. The illustrated song will be "Papa Buy Me an Airship, Please."

BOYS' BRIGADE NOTES.

Basketball Games at Armory Tonight. Tickets for Lyceum Course.

The second games in the first series for the Honnet Basketball trophy, now being contested for at the Boys' Brigade Armory, will be played tonight, beginning at 8:30 o'clock, when the Lions will tackle the Kangaroos and the Seminoles will chase the Stags. All of these teams have been materially strengthened since the first games played last Friday night and all will be in condition to put up a very fine article of this most popular game. Admission will be free. Ladies as well as men are cordially invited to attend.

Reserved seat tickets for the Boys' Brigade Lyceum Course will be placed on sale tomorrow morning at Dosher Bros., on Front street. This sale will continue until Monday afternoon at 6 o'clock. The tickets will probably go fast. Many of those who failed to have their seats reserved for the Hinshaw Grand Opera Singers realized that the best seats are either reserved or taken long before the entertainment begins and in order to avoid a long and tedious wait reserved seat checks should be secured without fail. Doubtless every seat in the auditorium will be reserved this time. The Caveney Company Entertainers provide a most interesting, pleasing and instructive evening's entertainment and should be heard by every student and lover of art in the city. Those who love music that is worthy the name should be sure to hear Marie M. Caveney, soprano soloist and pianist. She possesses a beautiful, full voice of much sweetness and great range and will doubtless greatly please all lovers of high class singing.

Relatives of Mrs. Rising.

Through error in the account of the death of Mrs. Mary A. Rising in Wednesday's Star, the name of Mrs. Robert L. Piver, who preceded her to the grave by about 18 months, was mentioned as one of her surviving daughters, when it should have been Miss Nellie Rising. The other surviving members of the family are her husband, Mr. R. F. Rising; daughter, Mrs. E. S. Piver, two sons, Messrs. R. R., Jr., and W. A. Rising, and one brother, Mr. M. C. Gray, of the Wilmington police force.

YOUNG MOTHERS

The greatest crisis in a woman's life is when first she becomes a mother. All the physical strength of her nature is demanded at such times, and it is necessary that her system be thoroughly prepared for the event, in order that her health be preserved for future years. Mother's Friend is woman's safest reliance; it is a medicine for external use, composed of oils and other ingredients which assist nature in all necessary physical changes of the system. Its regular use before the coming of baby prepares the muscles and tendons for the unusual strain, aids in expanding the skin and flesh fibres, and strengthens all the membranes and tissues. Mother's Friend lessens the pain and danger at the crisis, and leaves the mother in such healthful condition that her recovery is always rapid and natural. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

ADVANCE IN COTTON MARKET

Recovered Loss During Yesterday's Trading—Net Advance of From 11 to 16 Points—Southern Markets Firm.

New York, Nov. 10.—The cotton market recovered most of yesterday's trading, for while scattering liquidation continued the offerings were not so heavy and were readily absorbed by a demand from foreign and domestic trade interests and the covering of shorts. The close was steady at a net advance of 11 to 16 points.

The opening was steady at an advance of 4 to 8 points and inside of the first half nour active months sold 12 to 17 points net higher on covering and bull support inspired by the firm showing of the cables and private advice from Liverpool attributing the strength there to the firmness of Southern markets and the activity of European trade. Offerings increased on the bulge, nearly all of the large wire and commission houses having selling, presumably for long account, and prices eased off 7 or 8 points from the best in consequence. There was a good demand from trade interests and foreign sources on a scale down, however, and while there appeared to be nothing fresh in the way of news developments the market firmed up again in the later trading on the talk of a firm spot situation, with the close only 2 or 3 points off from the top. There was continued discussion of the census figures and nothing developed during the day to indicate any general change of views as to their relation to the total crop. Southern spot markets officially reported early were unchanged to 1-16c higher. Private cables report that estimates in the India crop are being reduced from 6,000,000 to 5,500,000 bales, but that Russia expects a bumper crop of about 1,000,000 bales.

Receipts at the ports today 51,974 bales against 57,855 last week and 46,107 last year; for the week 375,000 bales against 390,584 last week and 377,388 last year. Today's receipts at New Orleans 17,226 bales against 8,521 last year.

Spot cotton closed quiet, 5 points advance; middling uplands 14.80; middling gulf 15.05; sales eight bales.

Futures opened steady and closed steady.

STOCKS GOING DOWN GRADE

Affect on Political Overturn on the Market—Fall in the Prices of Stocks Caused by Results—General Results.

New York, Nov. 10.—The violence and rapidity of the fall in prices of stocks in the two days since the election suggest a disposition on the part of stock market to re-appraise the results, although these results were in line with the expectations held while prices were advancing previous to the election. In the extent of the political overturn, however, the outcome evidently has exceded th expectation of the financial community.

The results to be counted on, therefore, are less restricted than were looked for and open up a perspective that is disquieting by reason of the difficulty of estimating it.

Uncertainty and changing conditions offer prospects of unsettlement that are distasteful to financial markets. For the most part, however, the after-election action of the market is accepted simply as a demonstration of the futility and unwisdom of the market operations which preceded the event. The condition was summarized in the expressed determination of professional traders in stocks "to sell the market, whatever the result of the elections."

The congestion of profit taking sales found nothing of the expected demand to absorb it. The professionals offered prices down badly when the vulnerable was discovered. Their requirements when the attempted to cover, were responsible for the vigorous rally which brought the market to a strong closing, and with a large part of the declines wiped out.

Various unfavorable factors ignored while prices were on the upgrade, came in for more serious consideration with the decline in force. The amount of the decrease in orders on hand of the United States Steel Corporation during October has been foreseen with great definiteness, almost from the time of the previous months report. The publication today was accompanied by an explanation of a change in the basis of computation which improved the comparison with the former low record showing. The fact that, on its face, the report showed the low record of unfilled orders and was seized upon, nevertheless, in the depressed mood of the speculation as evidence that the present prices of the stock was far out of line with former loan periods of business in the industry. The enormous transactions in United States Steel on the downgrade overwhelmed the wholemarket. The spread of the express drivers strike in New York had very disquieting influence on sentiment.

The call loan market grew easier, affected in part, no doubt, by the liquidation in progress in the stock market. The time loan division also reported an easier tone.

Bonds were irregular. Total sales pa rvalue $2,272,000. United States bonds were unchanged on call. Total sales stocks for the day were 1,176,200 shares.

THE GRAIN MARKET.

Chicago, Nov. 10.—Purchase in anticipation of the close of Lake navigation formed one of the chief reasons changing sentiment to the buying side today in the wheat market. There was a net advance of 1 1-2 to 1 7-8c, with a strong tone at the finish. Latest figures for corn were unchanged to 1-8c higher compared with last night. Oats also wound up the same as 24 hours previous to 1-8 to 1-4c gain. The outcome in hog products was to leave prices unaltered or at a loss not exceeding 5 to 7 1-2c.

COTTON MARKET RECOVERY.

Report That Another Small Crop Estimate Will be Issued—Details.

(Special Star Telegram.)

New York, Nov. 10.—The recovery from the close of last evening practically brought the market back to the basis prevailing before the publication of the ginners' report. A reaction was expected last evening, though it was not thought that it would advance to such an extent. A report was current that another small crop estimate would be issued in a few days.

On this rumor there was a demand from the same concentrated interest which supported the market recently, but there was a noticeable diminution in the activity of the outside interests. Several of the larger operators who have been long, were gradually parting with their interests. The temper of the local trade continues to be bullish, believing that the steadiness of the market will finally bring the spinners in as buyers at higher prices. We hear no bearish views expressed.

MAY REDUCE CABLE CHARGES.

Clarence H. MacKay Explains New Methods of Postal Company.

(Special Star Telegram.)

Richmond, Va., Nov. 10.—An inquiry having been made of Clarence H. MacKay, president of the Commercial Cable Company and the Postal Telegraph Cable Co., as to the rumors of a pending reduction in cable rates, Mr. MacKay said: "The commercial Cable Co., has been at work for some time past in formulating a plan by which the rates for cablegrams sent by the general public, in other words cablegrams in plain language, are distinguished from code language, be reduced about one-half. That plan has now been worked out and in as much as it will require the co-operation of the telegraph lines in Europe, where the governments own the lines, our plan involves a proportionate reduction in the land rates charged by the European governments and hence to co-operation of these governments will be necessary. At present the cable rate is 25 cents per word. The proposed plan is to charge twelve and a half cents for every five letters in that class of cablegrams. We have found by careful investigation and examination of a great number of cable messages that plain language averages only five letters to the word and hence if we charge only twelve and a half cents for five letters, 'every letter in the cablegram being counted as though the whole cablegram was one word,' the result would be that the public in sending cablegrams would pay but one-half of what they now pay for these cablegrams, it being a part of the plan that these reduced messages will be subject to prior transmission of messages paid for at a higher rate.

"We hope to be able to put the plan into operation in a short time, it being necessary first to make the necessary arrangements with the European governments. I would add that this new mode of charging for cablegrams will be of decided advantage also to the business public which uses a code, inasmuch as it will be an inducement to them to put a portion at least of their cablegrams in plain language, rather than use a very complicated code, which requires a great deal of time on their part first to code and then to un-code. After the most careful consideration and study of the whole subject we are satisfied that this method of charging for cablegrams will not only reduce the charges for ordinary cablegrams one half, but that plan itself will be logical simple work, able and satisfactory."

DEPOSED RULER COMING.

Bonilla May Fit Out An Expedition Against Honduras.

New Orleans, Nov. 10.—Manuel Bonilla, former president of Honduras, will arrive here tomorrow on the steamer Cartago, from Puerto Barrios, accompanied by General Lee Christmas, the former's chief lieutenant in the unsuccessful revolutionary expedition against Honduras last July.

Considerable interest is manifested in the local Central American colony in the visit of Bonilla and Christmas to New Orleans. Some assert that it means the fitting out of another expedition here against the Davila government, while others believe Bonilla will make no revolutionary move until the question of General Valadare's occupation of Amapala has been disposed of. All agree that should Bonilla lead a successful insurrection against the Davilla government he would not permit Valadares to exercise power at Amapala or elsewhere because of the latter's antagonism of Americans.

Letters and cables received during the past week indicate that throughout Honduras there is a feeling of marked unrest.

SITUATION ALARMING.

Friction Between Chinese and Japanese.—Details.

Victoria, B. C., Nov. 10.—Friction between Chinese and Japanese in Manchuria increases, according to advices received today by mail. Tokio newspapers say that the situation is becoming alarming.

Recently Chinese police in Mukden arrested two Chinese employed of the Japanese consulate when they called at the German consulate to inquire concerning the movements of the German minister at Peking. The Chinese employes are said to have been tortured and sentenced to three years in prison, despite strenuous protests by the Japanese consulate.

Thirteen Japanese, who ignored an order to leave Taolu outside the treaty limits are said to have been arrested and roughly treated.

A bill forbidding foreigners to live or trade outside the settlements has been passed by the Hupeh Provincial Assembly.

STRIKEING DRIVERS REJECT AGREEMENT

(ontinued From Page One.)

ly, of Wells-Fargo & Co."

Before the agreement was signed the day had been turbulent, confused and full of statements and counter-statements. There was more rioting than at any time during the strike.

Counsel for the Adams, the United States and the Wells-Fargo companies obtained an order from Judge Coxe, in the United States Circuit Court, directing the city to show cause tomorrow why it should not be restrained from enforcing the ordinance which requires carriers of intestate express matter to take out city licenses. It is probable that the companies will press this point, regardless of the outcome tonight, in order to settle the matter for once and all, with an eye to future possible strikes. Two hundred applications for licenses were filed this afternoon.

It was directly due to Mayor Gaynor that the agreement was drawn up and signed. Last night the companies issued, and today printed in the advertising columns of the newspapers a long statement defining their position.

"When I came to the office," said Mayor Gaynor tonight, "and was shown the published statement of the express companies, I saw that if boiled down it meant the same as the terms the men agreed to last week on my request. I sent for Mr. Towne and asked him to reduce it to such a short form and see if the express companies would not sign it. He did so and they all signed.

"I then got together the committee of the striking employes of the companies and they signed a paper agreeing to the terms."

The worst of the trouble today came not from the express employes, but from the striking taxicab chauffeurs, who went out with them in sympathy. They mobbed taxicabs driven by non-union men and squabbled with the police until it was necessary to threaten them with drawn revolvers and with swinging night sticks. Bottles, stones, bricks and loose ends of iron flew thick, and there were many broken heads, but only five arrests.

Agreement Finally Reached.

New York, Nov. 11.—After backing and filling for five hours an executive session of the striking drivers and helpers of the five transcontinental express companies decided tentatively early this morning to return to work on Monday under the terms of the agreement signed yesterday afternoon. If the Jersey City strikers also approve the agreement the men will go back; if the Jersey men reject the agreement, the New York men will stay out. Drivers and chauffeurs on strike not employed by the express companies, are not affected and may settle their differences as they choose.

HOOPER NOW REDUCED.

Results of the Election in Tennessee.—Wilson and Sanders.

Memphis, Tenn., Nov. 10.—Returns from additional counties in East Tennessee late today instead of increasing the majority of Hooper, Republican for governor, as expected, are reducing it somewhat. While the total vote has been received from only two-thirds of the counties, all but six have reported actual majorities. On the face of the returns Hooper has a plurality over Taylor, Democrat, of 13,564. The legislature on joint ballot will be very close.

Unofficial returns up to 4 o'clock today indicate that the administration Democrats have a majority in the Senate with two districts in doubt and not including two Republicans, who, it is claimed, will vote with the administration Democrats. In the House, the fusion Democrats and Republicans have a majority of six with one in doubt.

It is said that the "regulars" will contest the election in the first district, because of an alleged illegal ballot. This district gave Hooper 13,720. If the regulars win and the district vote is thrown out, it may wipe out Hooper's majority.

Roanoke, Va., Nov. 10.—The official count of ballots in Tuesday's Congressional election in the Fifth Virginia district shows a majority of 67 for Congressman E. W. Saunders, Democrat, over Parsons, Republican.

Trenton, N. J., Nov. 10.—Latest election returns show Woodrow Wilson's plurality for Governor to be upwards of 48,000 and it is expected that the complete returns will bring the plurality up to 50,000.

BOTH CLAIMING STATE.

Political Situation in Oklahoma—Cruce Probably Elected.

Guthrie, Okla., Nov. 10.—Both political parties tonight still claim the State as a result of Tuesday's election Returns received however, indicate that Lee Cruce a Democrat, was elected governor by plurality ranging from 6,000 to 10,000.

The Republicans claim 63 of the 109 members of the House and a gain of five senators.

E. L. Fulton, Democrat, who was defeated in the Third Congressional District, will contest the re-election of Dick T. Morgan, Republican.

AVIATORS THRILL BALTIMORE CROWD

(Continued from Page. One.)

the audience.

Ely, in a Curtiss bi-plane went into the air intending to try for the Commodore Barry bomb throwing trophy, but descended before completing a lap, for the purpose of making readjustments to his bi-plane. Latham began the bomb throwing contest and made a score of 15 points with six bombs. One of these would have dropped into the funnel of the battleship and it therefore counted as a bulls eye. Under the rules governing the Barry trophy contest, bombs must be thrown from a height of not less than 100 feet. Some of Latham's fell from more than double that altitude and against rising wind. Drexel followed Latham in the bomb contest. From his Bleriot he dropped six of the missles upon the outline representing the deck of a battleship, but as none of them struck a vital spot, his score was only six. While he was preparing to drop his second bomb Hoxsey in a big passenger-carrying Wright bi-plane, flew across the grand stand from the railroad station at Halethorpe, where his machine had been assembled in record breaking time. He circled the course many times, performing brilliant evolutions and dividing the interest of the audience with Drexel, who continued his bomb dropping. Hoxsey flew his Wright in almost every conceivable manner, now in tapering longitudinal spirals, now gracefully gliding from great heights, now literally gliding over the surface of the earth only to rise again in upper air. He made three flights in all during the afternoon. Shortly after 4 o'clock, angry clouds in the west spoiled the prospect of one of the beautiful sunset to which Baltimore aviation audiences have become accustomed, and less than a quarter of an hour later came the rain and then the trio of boats that signalled the official close of the day.

AFFAIRS IN RALEIGH.

Furniture Company at Magnolia—Norfolk & Southern Service.

(Special Star Correspondence.)

Raleigh, N. C., Nov. 10.—The Secretary of State chartered today the Magnolia Furniture Co., Duplin county, capital $25,000 by J. C. House, Mrs. W. R. Newbury and others.

There is much appreciation in Raleigh and throughout the territory affected for the action of the Norfolk & Southern Railway Co., in putting on an entirely new passenger train daily both ways between Goldsboro and Norfolk with connections that bring passengers from the east to Raleigh, Durham and Greensboro, on the Southern train arriving here westbound at 8:35 A. M., returning in the evening on the train that passes Raleigh eastbound at 6:30 P. M. The route is Goldsboro, via Moreheau to Norfolk. The train includes a sleeper.

The management of the State penitentiary charges the escape of Ed. Utley, the notorious Fayetteville man serving 20 years for the murder of Clerk Hollingsworth, of LaFayette Hotel there, to the failure of the guard on duty in that section of the tuberculosis ward, to properly inspect the cell occupied by Utley. The prisoned seems to have sawed a bar from the window and made for himself a line by tearing into strips and tieing together bed covering, the strips being reinforced with wire from hay bales. He let himself down from a third-story window, over 70 feet, on a line of this kind and no trace of him has been found. Utley has done no work in about five years on account of making the prison authorities believe that he had tuberculosis. It is understood that the present prison physician, Dr. Jordan, had indicated to Utley that he had no business in the tuberculosis ward and that there was no reason why he should not be at work, this probably hastening his effort at escape. The first three years of Utley's imprisonment he worked at making brick in the prison yard.

Portland, Me., Nov. 10.—The Maine Naval Militia have been assured that the experiments which are to be tried on the Monitor Puritan at Norfolk next Tuesday, will not destroy that vessel, but that whatever damage is done will be repaired and the vessel turned over to the organization as promised. The Puritan was some time ago assigned to the Maine militia to be used as a barracks and training ship.

Lynchburg, Va., Nov. 10—At Rocky Mount, Va., today a grand jury indicted William Moody, Federal deputy marshal for alleged interference with an officer at Snydersville precinct in Franklin county, this State.

STUART MAY BE ELECTED.

Alleged Irregularities at Polls Will Probably Change Result.

Roanoke, Va., Nov. 10.—The result of the Congressional election in the Ninth district appears tonight to be still in doubt, with both Congressman Slemp, Republican and friends and Henry C. Stuart, Democrat, claiming victory. It is said alleged irregularities in Smyth and Pulaski counties may result in throwing out a number of precincts. If this is done it is figured by Stuart's friends that Stuart will have a small majority. Advices from Marion is to the effect that the grand jury has been named to investigate the election in Smyth county.

Jackson, Tenn., Nov. 10.—The United States government today began the presentation of evidence by which it hopes to prove that the Standard Oil Company of Indiana violated that portion of the interstate commerce law which forbids the acceptance of railroad rate concessions.
